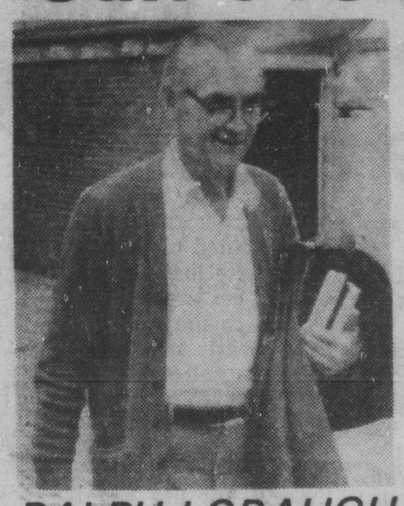
'Can't relax outside,' innocent man gets prison cell back



RALPH LOBAUGH

MICHIGAN CITY, Ind. (AP) — Ralph Lobaugh walked out of the Indiana State Prison in August after serving 30 years behind bars for three murders that authorities were fully aware he didn't commit.

But he had spent so much time in the maximum security institution here that he could not cope with the freedom he had sought for 14 years and after only two months outside he returned to his cell.

Lobaugh, 60, told officials he could not relax on the outside, and went back behind the grey walls here Oct. 21. He was reassigned his old cell and prison job.

"He just got nervous and real excited and wanted to go back to prison," said Harold G. Roddy, director of Indiana's inmate work release program. "The man is institutionalized — he's just been locked up too damn long."

Lobaugh was freed Aug. 24 when Gov. Otis R. Bowen approved clemency but ordered him to spend six months in a work release center before receiving full parole.

Lobaugh was assigned to the Indianapolis center and lived there quietly, sweeping floors and minding his own business, until requesting a transfer to the South Bend work release center 11 days ago. He found a job sweeping floors in a church there but worked only three days before telling officials he would rather be in prison.

"He just had difficulty settling down, he was always nervous. He couldn't get used to the younger men and the dormitory-style living in the work release center," Roddy explained. "He just wanted to live in a cell again and be with his old friends."

Lobaugh first entered prison in 1947 under sentence of death in the electric chair after he confessed to the rape-murders of three women. His execution date was stayed three times. It is not known why he confessed to a series of crimes he didn't commit.

The murders took place in Fort Wayne, Ind., and Lobaugh walked into a police station in Kokomo — about 80 miles away — and told the police there that he was the killer. The false confession came some time after the crimes were committed.

By late the following year, police learned he hadn't killed anyone after two other men were arrested in the case. One of them was executed.

A state panel investigated the case after the convictions and reported it could find no reason why Lobaugh should be released despite the knowledge that his confession was false.

In 1951, then-Gov. Henry F. Schricker commuted Lobaugh's sentence to life, calling the tangled case "one of the most sordid messes in history." But because the first-degree murder conviction never was lifted, Lobaugh could not be freed.

By then he had become seriously ill and suffered from hallucinations, so officials placed him in a mental institution until 1963, when he was returned to prison.

Lobaugh became a model prisoner and began pleading for freedom, but no one listened for another 14 years until Bowen granted clemency.

"He's not at all well and has a little arthritis in his legs and feet, but he can work and wants to go out and work," declared Warden Jack Duckworth when he opened the prison gate for Lobaugh in August.

"I guess Ralph just couldn't make it," Duckworth said this week. "I haven't talked with him yet, but he's got his old job back at the power plant."

To lose billions of dollars in tax credits

Business hit hard by Senate vote

Benefits cut for changing from natural gas and oil to other fuels

WASHINGTON (AP) — The Senate, considering a $49 billion energy tax credit bill, voted overwhelmingly Friday to knock out billions of dollars American businesses would receive for shifting from natural gas and oil to more abundant coal or other fuels.

After two days, Senate liberals succeeded in paring down the tax credits offered by the Senate Finance Committe and its chairman, Sen. Russell Long, D-La.

The vote was 72 to 1.

Instead of a 40 per cent tax credit for businesses and other institutions which convert from scarce sources of energy, the Senate voted a 15 per cent credit.

It would cut the value of the Finance Committee bill by about $20 billion.

The Senate then adjourned but planned to return today for a fifth day of debate on the energy tax credit bill.

Earlier, the Senate rejected a move by conservative Republicans and Democratic liberals to kill the bill outright.

Senate Majority Leader Robert Byrd said he hopes to complete action on the tax portion of the energy plan today.

The rest of the package is under consideration by a House-Senate conference commitee which deadlocked Friday over whether to ban fuel-inefficient cars beginning in 1980.

Because of the impasse, the conference committee, which is working on the non-tax aspects of President Carter's energy program, temporarily suspended its efforts to produce a compromise national energy bill.

Some members of the House-Senate conference committee indicated the issue could break up the panel.

The Senate, meanwhile, headed off an attempt to kill the energy package by rejecting on a 51-to-30 vote to send a $49 billion package of energy tax credits back to committee.

L.V. citizens aid in nabbing 2 armed robbery suspects

By CONRAD CASLER
PB Staff Writer

Reporting by residents to police of two suspicious men cruising La Verne apartment carports was credited by La Verne police Friday for the arrest of a San Francisco man wanted there for armed robbery, burglary and assault with a deadly weapon.

La Verne officers said tips by residents late Thursday night resulted in dispatching Officers Ken Swank and Chris Sullivan in the area to investigate the prowling. About the time they arrived, two men leaped out of shadows in an alley and demanded the purse of Margaret Dilzer, 27, an apartment resident in the 3000 block of Knollwood Drive.

She screamed and ran toward her apartment, officers said. Her screams attracted another apartment resident who opened his door and scared off the would-be victim's pursuers. As the pair fled in their car with lights turned off, Swank spotted them and chased them a short distance before stopping their auto.

Following booking at La Verne headquarters for attempted robbery, a routine check of the suspects turned up information that one of them, Nathan Ellis, 27, of San Francisco was wanted in that city and was under a $50,000 warrant.

Both men were turned over to the Sheriff's Office to await charges.

La Verne officers said there was no way they would have caught the suspects if alert citizens had not called the department to report suspicious men in the area which resulted in two officers being nearby when the attempted robbery occurred.

Police said the robber became contrite during the robbery and began crying when he saw the frightened older woman clutching her rosary beads. He promised not to hurt them, then fled, officers said.

A warrant for Ellis' arrest was issued shortly after the robbery in San Francisco.

Schmidt denounces 'scourge of international terrorism'

HELMUT SCHMIDT

LONDON (AP) — Chancellor Helmut Schmidt of West Germany said Friday the nations of the world must make a common effort "to overcome the scourge of international terrorism."

Schmidt, heavily guarded by German and British security men, spoke to an audience of 500 persons at the Institute for Strategic Studies. All the guests, including ambassadors, British peers and top Foreign Office diplomats, had to submit to a body search for weapons.

Schmidt told them, "Nobody, anywhere in the world, can any longer make light of terrorist violence as the work of people who have been led astray by an allegedly political motive, and on top of that give them refuge."

He said West Germany recently became "a focal point" of the issue when German commandos raided a hijacked Lufthansa airliner Oct. 18 in Mogadishu, Somalia, freeing the 86 hostages and killing three of the four hijackers. The hijackers had demanded the release of convicted West German terrorists, three of whom died in their cells hours after the commando operation.

Salesman with 8th grade education did surgeries to aid doctors: report

NEW YORK (AP) — A state legislator said Friday that a medical supply salesman with only a grammar school education had performed surgery "to bail out" doctors who were unable to complete operations.

Assemblyman Allan G. Hevesi, D-Queens, chairman of the health committee, said the salesman had participated in surgical implants of prosthetic devices on at least 12 occasions in at least three hospitals.

He would not name the salesman or the hospitals, but he said doctors, nurses and at least one patient have been subpoenaed before a public hearing of the health committee on Nov. 10.

The New York Post said sources told it one salesman drilled into a patient's skull as part of an operation to remove bone casing that was putting pressure on the patient's brain.

"To have a person with an eight-year grammar school education as part of an operating team may very well involve criminal liability and in my judgment involves an intolerable abuse of medical practice," Hevesi said.

Exam shows body could not be Hoffa

NEW YORK (AP) — The body found in the Pennsylvania woods is not that of missing Teamsters boss Jimmy Hoffa, FBI agents in Detroit said today.

An FBI spokesman said the Detroit bureau had received word from FBI agents in New York that a forensic examination had determined the body could not be that of the onetime union leader, who disappeared in the summer of 1975 and has long been believed by the FBI have been murdered.

A formal announcement of the finding was scheduled for a news conference in New York, and FBI spokesman said.

Medical examiners from two states had checked dental records to determine if the skeleton found in thick underbrush was Hoffa's.

The skeleton, with expensive gold dental work that authorities believed might match that of Hoffa, was found on Monday by a hunter near Honesdale, Pa.

Robert Jennings, coroner of Wayne County, where Honesdale is located, said he had talked Thursday night with James P. Hoffa, son of the union boss who disappeared in the summer of 1975 as he was mounting a drive to regain control of the Teamsters.

"He was very excited when he heard the age, height and hair color" of the skeleton, Jennings said.

Valley man crushed by skip loader

Chino feed mill employee Vern Dacus, 62, was crushed to death by a skip loader he was operating Friday afternoon, Chino firemen said.

Other employees found Dacus' body wedged under a slowly rotating tire of the multi-ton vehicle which had lurched forward and was stopped by a pile of feed sacks, firemen said.

Investigators theorize Dacus was climbing back into the cab when somehow the loader lurched forward knocking him off of and under a large tire. Firemen said Dacus possibly could have been under the vehicle as long as 15 minutes before he was discovered at Chino Feed and Fuel, 13320 Central Ave.

Dacus, of 12488 S. Fern Ave., Ontario, is survived by a son in Arkansas, according to Griffith Mortuary which is handling funeral arrangements.

Youth seriously hurt in fall from auto

Falling from the trunk of a friend's small sedan critically injured Mark Duran, 16, in Claremont Friday afternoon, police said.

Duran, of 3904 Sumner Ave., Claremont, was reported in guarded condition at Kaiser Foundation Hospital in Fontana suffering a concussion and multiple bruises and brush burns.

Claremont officer Jim Gucciardo said Duran and a friend had just been let out from friend Brian McLaughlin's car at Vanderbilt Avenue and Butte Street. As McLaughlin, 16, of 198 Monterey Ave., started up and turned onto Butte Street, both boys jumped onto the trunk.

Several feet down the street, Duran fell off the trunk striking his head on the pavement, Officer Gucciardo said. County Fire Department crews gave Duran first aid at the scene before he was rushed to Pomona Valley Community Hospital and later transferred to Kaiser.

This one, with an intense eye on the clock, wants everyone to know it will gain one hour's nap time when Daylight Savings Time officially ends in California at 2 a.m. Sunday. It makes October the longest month of the year by one hour. Before you go to bed tonight, set your clocks back one hour and you will be on time for church Sunday.

'In certain African countries'

Pope Paul raps racial discrimination

VATICAN CITY (AP) — Pope Paul VI called racial discrimination "the bane of certain African countries" Friday and cautioned newly independent African nations against abusing their new-found power.

The 80-year-old pontiff spoke about Africa in an audience with 47 African bishops attending the World Synod of Bishops in Rome. The month-long meeting of 204 bishops and prelates ends Saturday.

"Every page of the Gospel invites us to stifle in ourselves the spirit of domination and privilege, to serve our neighbors like brothers and sisters, to make ourselves builders of justice and peace," Pope Paul told the African bishops.

"This contrasts with the painful situations of racial discrimination which are still the bane of certain African countries.

Pope Paul did not single out which countries were practicing racial discrimination. The United Nations has denounced the racial policies of two whiteruled African nations — South Africa and Rhodesia.

The pontiff's speech gave implicit approval to one of the key themes of the synod — the need to teach Christian doctrines to non-Western societies while respecting and preserving their unique cultures.

Trial of suspect in bombing that killed 4 set Nov. 14

BIRMINGHAM, Ala. (AP) — A Nov. 14 trial date was set Friday for a man charged with murdering four black girls in a 1963 church bombing that drew shocked national attention to the violence then being directed against followers of the Rev. Martin Luther King Jr.

Robert Edward Chambliss, 73, of Birmingham pleaded innocent to the charges connected with the Sept. 15, 1963, explosion at Sixteenth Street Baptist Church.

He remained free on $200,000 bond. Chambliss was in jail for nearly a month before raising the bond. He was indicted in September and is the first person to be charged in the case.

Circuit Judge Wallace Gibson earlier refused to throw out the four first-degree murder indictments against Chambliss after a motion from defense attorney Art Hanes Jr.

Hanes said the indictments should be quashed because they referred to Chambliss as "Dynamite Bob," a nickname he allegedly acquired soon after the bombing.

Glenn Collins of Birmingham, who testified that he once was an informer for the Birmingham Police Department and the FBI, said he often heard Chambliss' associates use the nickname.

He said he once heard J.B. Stoner call Chambliss that name to his face in the headquarters of the National States Rights Party.

Stoner, a Marietta, Ga., attorney, has been charged with setting off dynamite near an inhabited dwelling in the 1958 bombing of the Bethel Baptist Church in Birmingham.

He is fighting extradition to Alabama and is free on $10,000 bond.

Tax revision to offset S.S. hikes

WASHINGTON (AP) — President Carter indicated Friday that any substantial hikes in Social Security taxes likely will be offset as part of his promised income tax revision plan, lest they dampen the economy.

Carter discussed this prospect in responding to questions posed over a telephone hookup by editors and publishers attending a Houston convention of the National Newspaper Association.

The President was asked about the possible inflationary impact of major Social Security tax increase passed by the House on Thursday. "I believe that the major impact might be a dampening effect on our economy," he responded.

Carter noted that he had announced at a Thursday news conference a delay in submission of tax revision proposals, in part so final congressional action on Social Security legislation can be taken into account.

"I would guess that a major factor would be that if the Social Security tax increase is substantial after the Congress gets through, we'll try to compensate for this in the tax reform package," he added.

Starving horses get food

MIAMI (AP) — Two tons of hay and oats were flown to the Bahamas on Friday to help feed more than 100 abandoned horses that are starving at an old race track.

The feed is part of a relief effort started when the condition of the horses was reported earlier this week.

Bonni Denmark, a North Palm Beach rancher, collected about $50 from coworkers and $50 from teacher David Smith and bought the hay at a reduced rate. Mackey International Airlines agreed to fly the hay to the Bahamas free of charge.

Mrs. Newton, slain at Cal Poly, eulogized; police release suspect

By MAE TATE
PB Staff Writer

"She converted time into worth and value that blossomed out into a great love for people."

Rev. Ivan Walks, minister at South Hills Presbyterian Church and pastor to Barbara Newton, captured the essence of Mrs. Newton in memorial services Friday at Cal Poly Pomona.

More than 500 persons from the university and communities stretching from Los Angeles to the West End of San Bernardino County crowded into the University Union to pay homage to Mrs. Newton.

Each seat was full and mourners spilled out into hallways.

Harold Bowen, minister of music at Monrovia's Second Baptist Church, sang "I Believe."

Meanwhile probe of the slaying is without leads today after release of suspect Donald Lee Phillips, 27, for lack of evidence.

Sheriff's homicide detectives said Phillips, who surrendered Wednesday after he learned he was sought for questioning concerning the slaying, was released late Friday night.

Phillips was described as a former boyfriend of Mrs. Newton. He was aquitted in 1973 of the slaying of Mrs. Newton's former husband, Elmo Newton, 25.

Mrs. Newton was slain Monday in her office by a gunman who walked in, fired a pistol and left. Memorial services were attended by students and faculty at Cal Poly's student union building Friday.

She was described as a friend and confidant, a lovely lady, " a devoted Christian and mother," an inspiration and "a beacon and guiding light." Friends spoke of her ready smile, her dignified manner, the quiet poise that put all at ease in her presence. She bought rhyme and reason to the hearts and purposes of everyone she encountered.

"We tend to grieve more when the young pass away. We feel the old person has lived a full life and the young person has been cut off," Rev. Walks said.

"The assessment of God is built on a higher plane. Assessment is made on value and quality. Barbara gave everything she had. Her love and faith couldn't be measured in terms of hours, days, years.

"She knew what she wanted. She lived a full life. She attended church last Sunday, greeted me at the door with a big smile, and said 'see you next week.'

"She gave without counting the cost," Rev. Walks concluded.

Angered by Jane Fonda's attack

Dow halts college grants

MOUNT PLEASANT, Mich. (AP) — Angered by a campus speech in which actress Jane Fonda attacked Dow Chemical U.S.A., the firm has cut off all grants and gifts to Central Michigan University pending talks on the use of Dow money for campus speakers.

University President Harold Abel confirmed Friday that he had received a letter from Dow President Paul Oreffice saying CMU will receive no further "aid of any" kind from the company giant until Dow and university officials meet to discuss the use of company grants.

Abel said he will have no comment on the matter.

The controversy erupted over an Oct. 10 speech in which Fonda said Dow was among "these firms (that) have learned to manipulate the tax laws to get away from paying their fair share."

Fonda mentioned Dow several more times in attacking what she called a "new group of rulers, tyrants" and others who she said are unknown to most Americans but who control their lives.

In his letter to Abel, Oreffice questioned the $3,500 paid to Fonda so she could "spread her venom against free enterprise" to university students.

Oreffice said the university had a right to hire any speakers it wanted, but said Dow also had the right to make certain its gifts were not used "to support people intent on the destruction of freedom."

Jayne Mansfield's children object to estate accounting

LOS ANGELES (AP) — Four of actress Jayne Mansfield's children have filed objections to an accounting that indicates they will receive nothing from the late actress' $525,000 estate, their attorney said Friday.

The objections were contained in a petition for denial of extraordinary legal fees that was lodged last week with Superior Court Judge Neil Lake, said attorney Ludwig Gerber.

Lake told Gerber on Friday that probate cases are so backed up that the objections cannot be heard until March 14.

Miss Mansfield's four oldest children, Jayne Mansfield, 26; Miklos Hargitay, 18; Zoltan Mansfield, 17; and Mariska Mansfield, 13, told Lake on Sept. 29 that the accounting of their mother's estate by attorneys Bernard Cohen and Harvey Sitzer excluded any payment to them.

Miss Mansfield was killed in a car accident June 29, 1967, at the age of 34 near New Orleans. Her estate has been tied up for more than a decade because of indebtedness and a dispute between two former husbands.

A wind machine partly being built in Ontario will soon be supplying electricity to 50 homes in Clayton, N. M.

The Lockheed Aircraft Service Co., located at Ontario International Airport, is constructing two sets of 60-foot wind turbine generator blades which will be attached to a hub and generator to supply about 200 kilowatts of electrical power.

The project, funded by the Department of Energy's wind energy program, will supply between 5 and 15 percent of Clayton's total electrical power.

The blades and generator will be mounted on a movable platform atop a 100-foot steel truss tower. It will be capable of "tracking" or swinging in the wind.

Another feature of the blades is they are capable of "feathering" or turning at right angles into the wind to prevent damage to the hub and generator assemblies in high wind speeds.

Lockheed was selected to produce the blades because of its experience with the Cheyenne helicopter, said officials.

Clayton was selected for the installation based on a proposal submitted to the federal government.

The municipal utility company has agreed to monitor the generator and supply test data for a two-year period in exchange of receiving electricity supplied by the wind turbine.

POMONA'S HAUNTING

Two monsters who will welcome guests to the Pomona Public Library's Halloween haunted house Monday from 3 to 6 p.m. are shown getting their act together. More than 1,000 youngsters are expected to take advantage of the free spook show.

Pomona Library creates haunting experience

The Pomona library, missed by hosts and goblins last Halloween, rill have open a haunted house Monlay between 3 and 6 p.m.

The City Council decided in 1976 it ad no money for witches and arlocks. And again this year, udget limitations forced library taff members to donate time to prepare the Halloween attraction which has drawn more than 1,000 youngsters in previous years.

The event is sponsored by Friends of the Pomona Public Library. Burger King will donate soft drinks to haunted house visitors. Other donors include Hughes Market, Alpha Beta and Stater Bros. markets.

As in previous years, the haunted house will be located in the audio visual department. But the design and scary surprises inside will be different from former years.

Those children 7 years and younger must be accompanied by adults.

In the spirit of the day, many library staff members will report to work in costumes.

$1.5 million in claims filed by family of slain Pomonan

By GEORGE MacLAREN
PB Staff Writer

Claims totaling nearly $1.5 million have been filed against the city of Pomona and members of the police department by the family of Rudy Raul Garcia who died in the city jail the night of June 12.

The Pomona City Council this week denied the claims upon recommendation of the city's insurance carrier.

The Garcia family has six months to bring suit.

The largest claim, for $772,939, was filed for Garcia's mother, Felipa, who asked for $270,000 for loss of future support, $200,000 for loss of Garcia's services, $300,000 for loss of his society and companionship, $972 for hospital and ambulance expenses, and $1,967 for funeral and burial expenses.

A claim of $637,939 was filed by Garcia's father, Trinidad, and claims for $40,000 each were made by Garcia's brothers, Jessie and Freddie, for physical and mental suffering.

The claims contend that during a routine check by Pomona police officers for a possible "double-parking" traffic violation, Garcia was handcuffed behind his back and subjected to excessive neck compression during the arrest procedure which resulted in asphyxia.

"Said act was negligently done in full view of and in close proximity to" both the Garcia brothers, the claims contend.

James I. Kono, special investigator for the office of Los Angeles County Coronor Thomas T. Noguchi, reported on July 11 that the death of Garcia, 23, in the Pomona city jail on June 12 was accidental, and was caused by the pressure of a policeman's arm against Garcia's throat which resulted in asphyxia or lack of oxygen.

Garcia collapsed and died in the Pomona jail after his arrest a few minutes earlier at Grand Avenue and Rebecca Street, police said.

Officers had gone to the area where a large party was in progress to check on complaints of double-parked cars.

They said that they stopped the car containing Garcia, who became "combative," and that he was subdued and arrested.

Kono said the coroner's conclusions were based on autopsy findings made by Dr. Manuel Breton and upon information gathered by Los Angeles County sheriff's homicide investigators.

Pomona Police Chief Richard Slaght had wanted an independent investigation into the incident and asked the sheriff's department to investigate.

Kono said the death had been determined to have been accidental because no malice had been found on the part of the officer who, according to the coroner's statement, was making a routine arrest.

Kono said the fact that both Garcia's heart and liver were enlarged and diseased may have made it difficult for the victim to survive the incident and therefore contributed to his death.

Taped books for blind are 'read' by thousands

By VONNE ROBERTSON
PB Staff Writer

The Recording for the Blind has reported an increase in volunteer hours, wider circulation of its taped books, and a $400,000 surplus.

Mrs. Marjorie Stoddard, chairman for the Claremont Unit of Recording for the Blind, presented an optimistic report at a program honoring volunteer readers and monitors held at McAlister Center in Claremont.

During the past year, 89,000 recorded books have been circulated to blind or handicapped persons, a 9.8 percent increase.

While volunteer hours at the 20 recording centers across the nation have increased during the past 12 months, she said the recorded books completed are about the same.

"This is because we are now recording more complicated technical books for students and this work requires increased time," the Claremont chairman explained.

She stressed that volunteers are constantly needed who can read the technical textbooks required by many blind students who use the service.

The national organization ended the year with a $400,000 surplus. This plus endowment income would support the organization's $2 million budget for a year's operation, according to the annual report.

Mrs. Stoddard said the new, striking annual report prepared by the staff will soon be distributed to volunteers and will be available to interested persons.

As a result of the improved financial status of the national organization, local units will receive some financial assistance with recording and operational costs, the chairman reported.

However, she added, the need for donations will continue. The Claremont unit is scheduled to start its annual funds appeal this month.

Eighty percent of the donations used to operate the recording studios are from individuals, statistics show.

The Claremont Unit of Recording for the Blind is located in McAlister Center on the campus of the Claremont Colleges. The studio is open each weekday and several evenings so that volunteers can record textbooks and other books requested by blind or disabled persons.

Additional information may be obtained by calling 624-4156.

For better communication

Montclair chamber recast

By MAE TATE
PB Staff Writer

Reorganization of the Montclair Chamber of Commerce has the incentive of increasing communication and involvement.

Jim Bookhout, chamber president, and Bob Keenan, office manager, recently detailed the new structure designed to stimulate participation of both the business community and area residents.

Bookhout stressed the importance of moving from the dormant stage the chamber held for several years in Montclair and into the arena of activity and commitment.

The motto for Bookhout's term as president is "The Montclair Chamber of Commerce Means Business." As president, Bookhout will provide the leadership but will spread responsibility among members of the executive committee who coordinate activities and duties of five major councils.

These councils — government affairs, community development, ways and means, chamber-community promotion and retail trade — are under the respective responsibilities of chamber executives Ken Wright, Lou Cassani, Eleanor Patterson, Don Knight and Marsha Holland.

The executives serve as liaisons between the president and council chairmen. The chairmen are Don Crawford, government affairs; Dennis Silletto, community development; Michael Zarzana, ways and means; Bill Aston, community-chamber promotion; and Art Parks, retail trade. Each council consists of more members working together to accomplish objectives.

The new structure, according to Keenan, "maximizes the productivity of the total organization." He added, "with a larger number of volunteers we hope to cut down on the number of hours contributed by a small core of volunteers.

Bookhout recalled that "in the past, it's been the same 10 or 12 people involved in every committee. There was a lot of overlap."

Bookhout stressed the need for all Montclair residents to realize the importance of community image.

Some executives, in fact, are moved 15 to 20 times before finally settling down in company headquarters.

Latter-day elder is stake speaker

Elder Royden G. Derrick, a member of the First Quorum of Seventy, of the Church of Jesus Christ of Latter-day Saints, will speak at the La Verne Stake Center.

Elder Derrick was named to the First Quorum of Seventy on Oct. 1, 1976. He has served as president of missions in England and Ireland. He earlier had been a counselor in the general presidency of the Sunday school.

After studying at the University of Utah and military service during World War II, Elder Derrick founded a company in Salt Lake City that grew to be the largest structural steel fabricator between Denver and the West Coast.

He served as a member of the University of Utah Board of Regents for eight years, six years as chairman. He also has been deeply involved in international goodwill organizations, with emphasis on assistance to the country of Bolivia.

Elder Derrick and his wife, Allie, have a daughter and three sons.

Missionary work will be a theme of the conference. The public is invited to attend the Sunday sessions at 9 a.m. and noon. Stake President Robert L. McCook III will conduct. A special meeting will be held today at 7 p.m.

Lutherans mark 400th Concord aniversary

The commemoration of the 400th anniversary of the Formula of Concord will be observed in the San Gabriel-Pomona Valley Lutheran Reformation Service at the First Lutheran Church in Pomona Sunday at 4 p.m.

Guest preacher will be the Rev. Frank Wilcox, president of the California Lutheran Bible School. The Rev. Edwin Krueger, pastor of Peace Lutheran Church in Pomona will assist as liturgist. Serving as lectors will be the Rev. Norbert Boer, pastor of First Lutheran Church in Pomona and the Rev. Ronald Kudick, pastor of St. Luke's Lutheran Church in Claremont.

A mass choir of singers from area Lutheran churches will sing Praetorius' "Magnificat" and stanzas of "Built on the Rock" and "The Church Doth Stand." The choir will be under the direction of the Rev. Stephen Kelly, pastor of Redeemer Lutheran Church in Rowland Heights. Paul Schuricht, organist at Christ the King Lutheran Church in Walnut, will serve as organist.

The Formula of Concord (1577-1977) is the final document in the "Book of Concord," the collection of historical documents which describe and define the Lutheran understanding of the Biblical gospel. It was formulated by theologians to settle controversies, thereby producing harmony and concord among the churches. For 400 years, it has served the Lutheran Church as a guide to correct teaching concerning a number of difficult questions.

PROFICIENT PASSER

Damien quarterback Dan Marconi prepares to fire a pass with running back Steve Campbell prepared to protect him. Marconi threw two TDs in Damien's 23-7 victory at Chino.

Spartans triumph

By MIKE BROSSART
PB Staff Writer

Suspense had been building for weeks but the climax came early in Friday night's football game between Damien High and host Chino.

Spartan quarterback Dan Marconi and flanker John Rayburn teamed up for a 79-yard touchdown pass on the game's second play from scrimmage. Damien followed that with a quick safety and led 16-0 after a quarter and 23-0 at the half before winning the key San Antonio League confrontation, 23-7.

That victory gives the Spartans sole possession of first place in the SAL with two weeks to go. Damien has won all five of its league games and is 6-1 on the year.

Chino dropped into a three-way tie for second place with Claremont and Ganesha, one game behind the Spartans. The loss was the Cowboys' first in five league outings and second in seven games overall.

Damien must still play Claremont and Ganesha the next two weeks.

Spartan coach Dick Larson said after the game that he had been planning ahead to use the bomb on the second down of his team's first possession.

"We worked on that play all week," he said. "We've used the play before, but not quite like that — with Rayburn lining up in the backfield" instead of as a wide receiver.

Adding to Chino's frustration after that long Damien TD, the Cowboys were hit with a safety on their first series.

A high snap on fourth down caused punter Richard Perez to drop the ball in his own end zone and Damien's Ray Gonzales, Leonard Luiten and Pete Huysman quickly swarmed upon him.

After the Cowboys kicked to the Spartans, Marconi led an eight-play, 57-yard scoring march that gave the visitors a commanding 16-0 lead with less than six minutes gone. Marconi completed all four of his passes on that drive and Doug Paul ran the ball in from two inches out to score.

The Spartans scored their final touchdown just 28 seconds before the half on a four-yard pass from Marconi to Mike Escalante. That was the only complete pass, however, of a time-consuming 15-play drive that covered 71 yards. Paul ran for 51 of those yards on eight carries.

At the half, the Spartans had 262 total offensive yards and 10 first downs to Chino's 35 yards and no first downs. The Cowboys came back to play better than the Spartans in the second half, but it was too little too late. At the game's conclusion, Damien had 329 yards on 59 plays from scrimmage and Chino had 195 yards on 44 plays.

Bertschinger scored Chino's only TD on an eight-yard run in the third quarter. The score capped an impressive 11-play, 87 yard drive.

Marconi finished with 204 yards passing (180 in the first half) on 12 completions in 21 attempts.

Paul led all rushers with 95 yards on 25 carries while Chino's Bill Young picked up 68 yards on 10 carries and Mike Bertschinger added 59 on 13.

Paul was aided by some good-sized holes. "We have a good offensive line," said Larson. "We're very proud of them." Center Dan Donahoe, guards Huysman and Bill O'Neill, tackles Charles Vess and John Hernandez and tight end Mark Leavans make up that unit.

Gladiators upend Walnut

By RAY NELSON
PB Correspondent

Carlos Martin's 30-yard field goal with 28 seconds remaining gave Gladstone High a 26-25 come-from-behind victory over Walnut Friday night at Citrus Stadium and enabled the Gladiators to gain sole possession of first place in the Hacienda League.

The upset triumph provided Gladstone with a 5-0 league record and moved it one game ahead of the Mustangs and 1½ ahead of idle Royal Oak.

"I'm unbelievably happy," said an elated Gladiator coach, Roy Rhino. "We've gone from the valley to the mountain."

Rhino was referring to the fact that his team had gone from its 1-8 mark of 1976 to its present standing. In dealing Walnut its initial loss of the season, the Gladiators downed the top-ranked team in the Southeastern Conference and marked the first time Gladstone had managed to score a point against the Mustangs in four years.

Walnut exploded early, grabbing a 13-0 advantage midway through the first quarter.

Taking the opening kickoff all the way back to the Gladstone 35-yard line, the Mustangs marched for their first score in four plays. John Vallejo, replacing the injured Dave Woronkiewicz, took a Steve Green handoff and raced 11 yards for a first down.

Green passed for 10 and 12 yards on the next two plays before Vallejo capped the drive by taking it over from the two.

It was the first of three touchdowns for Vallejo, who ammassed 102 yards on 21 carries.

Walnut scored their second touchdown when Green hit Brad Hurst at the goal line for a 28-yard scoring toss. However, after that, the Gladiators shut off the Walnut aerial attack while battling back.

Giving the senior quarterback the short stuff after the first quarter, Gladstone's rush contained Green, who completed 10 of 20 for 129 yards. Green failed to complete any of three attempts in the second half, which was dominated by Gladstone's ball-control offense.

Gladstone running back Don Sanderlin led all rushers, compiling 137 yards on 23 carries and scored two TDs covering two and 22 yards.

Chaffey breaks 'curse'

By CHARLES BENTLEY
PB Correspondent

Halloween weekend, traditionally a time for curses, bad luck and the Chaffey-Redlands High School football game. And, as usual, this Citrus Belt League match-up held the key to the CBL championship. The Tigers combined Terrier bad luck and a tough defense to beat Redlands 7-3.

Since 1960, the Terriers have held a curse over the Tigers, one that has meant victory for the Ontario school only once every four years. And during the interim three seasons, the Terriers usually racked the Tigers for resounding defeats and control of the League title.

Following a 28-7 victory over the Terriers in 1976, it looked as if Chaffey was in for the same as the Terriers came into the Friday night contest 4-0 in league play and 5-1 overall.

But from the start of the game, Head Coach Ray Stark's crew stood tough and showed that the host Tigers were not about to roll over and play dead. An early interception by defensive back Todd Logue set the tone for the evening, as Chaffey would intercept five Gene Larson passes and recover one Terrier fumble.

The turning point came at 6:25 in the final stanza when Senior Dan Olivera nabbed a Terrier pass on the Redlands 35-yard line and returned it to the Terrier 27-yard line. Ten plays later the Tigers scored the winning touchdown on a fourth down pass from Koustik to Senior Stan McDonald for 12 yards and the score.

Senior Gregg Shinn led the Chaffey defensive squad with two interceptions and a fumble recovery.

Ganesha stages miracle finish

By RAY PLUTKO
PB Staff Writer

It was more like the fable of the "Sleeping Giant," but this one woke up just in time.

Coach Garry Norvell and his Ganesha High club remained in the thick of the race for the San Antonio League title Friday night, but it required a story-book finish as the Giants scored in the final four seconds en route to a 15-12 win over a stunned Garey contingent.

Cross-town rival Garey appeared to have an upset under lock and key — including the ball with a first down and 1:36 remaining.

However, the Vikings failed to eat up the remaining time on six downs (two penalties) and then gambled on the "official" fourth down.

Punter Larry Reyes took the snap, but tucked the ball under his right arm on a fake punt — only to be downed at the Vikes'; 12-yard line.

Ganesha managed to get off one running play for a scant two yards before Floyd Williams was pushed out of bounds. Then with :15 showing, quarterback Ron Hughes appeared to be headed for a "sack," but scrambled and found Craig Parm in the right corner for the winning TD.

Just four minutes earlier, Garey had driven 71 yards in 15 plays for a 12-7 lead, with Carey Shepard hitting David Forte on a fourth and goal from the four.

Thus, Ganesha emerges with a 4-1 SAL mark and one of its' remaining contests is against the likes of unbeaten Damien. As for Coach Lawson Bush and his Vikings, the setback virtually dispelled any faint playoff hopes in the Southeastern Conference.

Ganesha scored the game's initial TD on an 11-yard pass from Hughes to James Murdock, but the Vikings drew to within one in quick fashion.

Defensive back Jerome Washington picked off a Hughes' aerial and scampered 64 yards down the north sideline for a touchdown — that play coming 12 seconds before intermission.

Ganesha's Bennie Gooden was the game's top ball carrier with 69-net yards in 16 attempts, while Morris Cole accounted for 58 in 11 carries to pace the Vikings.

Not to be overlooked were top defensive efforts by Garey's Doug Brissette, Ray Muro, Fernie Lavez and Duncan Tuitau. Countering those efforts for the Giants were Kevin Jones, Willie Mosley, Mike Brown and Parm.

Wolfpack defense flawless

By MARK GRIP
PB Correspondent

The Valley's best prep defensive team, Claremont High, was in top form in a 21-0 shutout of Upland Friday night at Upland High.

The win keeps the Wolfpack in a tie for second place in the San Antonio League with Chino and Ganesha. The three runner-ups own 4-1 league records behind leader Damien at 5-0.

Claremont (5-2 overall) will face its biggest test of the year next Friday when it hosts Damien at Citrus College.

The hard-hitting Pack defense has now yielded just 39 points and went into the game with a 6.5 average.

Upland (0-5, 1-6) threatened to blemish the shutout only once. In the second quarter the Highlanders drove to the Claremont 20 yard line where Jon Kotez was short on a 37-yard field goal attempt.

The Wolfpack defense allowed Upland to cross midfield only one other time. That penetration was to the Pack 45.

The game was a scoreless tie until Claremont scored with 35 seconds left in the first half. Halfback Kevin Britton busted in from the seven with Doug Jollymour adding the extra point.

Claremont put the game into its pocket in the third period with two touchdowns on passes from quarterback Mike Pirolo to Scott Kegans.

Pirolo's first strike was a 41-yard bomb at the 7:13 mark. The junior signal caller then hit Kegans on a roll-out pass for a 10-yard score. Jollymour added both PATs.

Jollymour missed a 41-yard field goal attempt with 7:50 to play, hitting the ball wide to the right.

Pirolo led the 'Pack offense, connecting on 10 of 15 passes for 130 yards and two TDs. Pirolo's prime target was Kegans who he hit 7 times for a total of 97 yards.

Upland could muster only 101 yards total offense.

Montclair extends Devils' losing skid

By BRENT SHYER
PB Correspondent

It appears that not even one team in the San Antonio League is willing to play the role of the "devil's advocate."

Montclair High (2-5) proved to be too much for the lowly Pomona Red Devils, Friday night at Mount San Antonio College, as the Cavaliers blanked PHS, 20-0.

The loss for Pomona was its 16th in a row. The Devils are 0-7 overall this season.

After Harold Harrington recovered a Devils' fumble on Pomona's 35 yard line, the Cavs were able to move the ball within Kent Gurney's field goal range, as he connected on a 34-yarder five minutes into the game.

Brett Forbes blocked a punt for Montclair, giving the visitors the ball on the Pomona 5. On the first play from scrimmage, Gurney darted into the end zone for the touchdown. Kent kicked the first of his two extra points to make it 10-0.

Malcolm Curtis recovered a fumble for the Cavs in the third quarter, which allowed Gurney to kick a 25-yard field goal.

Meanwhile, a Homecoming crowd rooting for the Devils had little to cheer about.

Pomona had 63 yards passing and 54 yards rushing. The Cavs gained 51 yards via the air, and 113 yards on the ground.

Gurney and Scott Avery paced the Cavs with 46 yards apiece.

Steve Pace snared a 2-yard touchdown toss from Montclair quarterback Steve Jetton for the final score.

Montclair's Terry Shanks suffered a broken right leg in the game on a play away from the ball.

Knights maintain Olympic advantage

By KEITH LAIR
PB Correspondent

Ontario Christian High held off a late Brethren rally to dispose of the visiting Warriors 27-21 in an Olympic League contest Friday night.

Brethren marched the ball into scoring position only to be stopped by a fumble with only 2:11 remaining in the game.

The Warriors took an early 7-0 lead on the first of two Knight fumbles. Warrior quarterback Gary Beverly nailed Josh Randall on a 36-yard pass for the score.

Ontario Christian came right back to score on the next series of downs, when the Knights marched the ball 74 yards in eight plays for the TD. Bennett Slegers took a Joe De Hoog pass 10 yards out for the score. Pete Van Ginkle's PAT kick sailed wide, to keep the Warriors on top 7-6.

Brethren took a 14-6 lead later in the first half as Andre Pinesett romped into the end zone from five yards out. Randall added the extra point.

The Knights took charge in the third quarter by racking up 15 points and a 21-14 lead. De Hoog found Adrian Kroes in the end zone for a score, and De Hoog then crossed the goal line for a two-point PAT, which tied the score at 14.

A Brethren fumble set up the Knights next score. De Hoog came up with the fumble at the Warrior 42-yard line. He put the Knights in scoring position on a 31-yard run, and scored the touchdown from the 7-yard line on a quarterback option.

Behind 21-14, Brethren moved the ball to the Knight one on several long runs by Pinesett. But the Knight defense held the Warriors at that spot on fourth down.

Ontario Christian carried the ball out to the 6-yard line, where De Hoog lateralled the ball to Gerrit Bosman. The ball sailed over Bosman's head, and Warrior defender Lloyd Tate pounced on the ball in the end zone for the touchdown. The Knights added the final score, when David Hooyenga broke off tackle and raced 75-yards to the Warrior four. The tally again came on a pass from De Hoog, this time to Roger Sybesma from the two yard line. Brethren's final drive was stopped when Rodney De Jager recovered a Pinesett fumble in Knight territory.

Hooyenga led the Knights in rushing with 92 yards in six carries. De Hoog gained 72 yards in 16 carries. The Warriors were led by Pinesett, who picked up 102 yards in 25 carries.

The Knights, 5-0 league and 6-1 overall, attempt to clinch at least a tie for the Olympic League title, when they meet L.A. Baptist in an afternoon match at Baptist next Saturday

Hawks hold off Lakers

ATLANTA (AP) — Ollie and Eddie Johnson popped in 16 points apiece and a clinging Atlanta defense held Los Angeles scoreless for a six-minute stretch Friday night to lead the Hawks to a 102-95 National Basketball Association victory over the Lakers.

Center James Edwards, taking the place of injured Kareem Abdul-Jabbar, was high scorer for the Lakers with 32 points.

The Hawks, 3-1, romped to a 47-28 lead late in the second quarter as their defense stopped Los Angeles cold from 10:57 to 4:46 of that period.

A Laker rally, led by guard Earl Tatum and forward Jamaal Wilkes with six points each, narrowed it to a 53-44 Atlanta lead at halftime.

A jump shot by former Hawk Lou Hudson, whose uniform No. 23 was retired by the Hawks at the game, tied it at 75-75 near the end of the third quarter.

But two free throws by Atlanta's Ron Behagen made it 77-75 as the quarter ended, and the Hawks pulled away during the final period.

The loss dropped the Lakers to 2-4

Hudson played 11 years for the Hawks before being traded to the Lakers before the current season for Ollie Johnson, who switched teams twice during the off-season. He came to Los Angeles last spring in a trade for Lucius Allen.

The 32 points was a career-high for Edwards, playing in only his sixth game as a professional. The 7-footer who attended the University of Washington was a third round draft choice of the Lakers last spring.

Three rookies contributed to the Hawks' victory — Eddie Johnson, Wayne Rollins and former Eastern Leaguer Charlie Criss.

Tatum finished the game with 19 points. Wilkes added 14 and Hudson and Kermit Washington scored 10 each for Los Angeles.

Behagen contributed 16 points for the Hawks. John Drew, Steve Hawes and Ken Charles added 11 points apiece for Atlanta.

A crowd of 9,214, including Hawks' owner Ted Turner, watched the game.

The Lakers play at San Antonio against the Spurs tonight.

Braves blank Bonita

By PAUL CLICK
PB Correspondent

Alta Loma ruined Bonita High's Homecoming Friday night with a 27-0 triumph over the host Bearcats.

But the score was a bit misleading as Bonita trailed only 7-0 entering the fourth stanza of play. The scoreboard showed no points for both schools at halftime.

An 87-yard touchdown run by Alta Loma running back Stuart Charleston stunned the Bonita players as he outran the Bearcat defense after rambling through the middle of Bonita's defensive alignment. Mark Anderson set up the Braves' final two TD's with interceptions of Ralph Ortega passes.

Bonita's Bob Clark ran 60 yards for an apparent touchdown early in the contest but the referee covering the play ruled he had stepped out of bounds at the 40-yard line. Instead of a 60-yard TD, Bonita was handed the ball at the 40. They were finally forced to punt.

Clark ended the night with 66 yards as Bonita wound up with 89 yards on the ground

The Bearcats lost another golden opportunity to score in the fourth quarter thanks to 20 yards of penalties after having a first down situation at the 14-yard line. Ortega's desperation on a fourth and 16 situation was a yard short. It was Bonita's last look at the contest.

Stags, 'Hens clash

By DON BRADLEY
PB Staff Writer

Either Claremont-Mudd or Pomona-Pitzer should end their drought tonight. The winless teams clash at Pomona College's Alumni Field at 7:30 p.m.

La Verne (0-1 in the conference and 2-3 overall) is at Whittier (1-0 and 5-1) tonight and defending champion Redlands (1-0 and 2-3) is at Occidental in another night game.

C-M and P-P present an interesting contrast. The Stags have no passing game and the Sagehens have difficulty running.

The Stags are averaging only 54 yards a game in the air and 139 on the ground for a conference-last of 193 yards per game.

The Sagehens, fifth in total offense, are averaging slightly over 151 yards passing and 76.5 yards rushing for a 228 total per game.

The two are fifth and sixth in defense. The Stags have allowed an average of 322 yards a game while the hapless 'Hens have given up an average of 443 yards a game.

Over the years, Walt Ambord at Pomona-Pitzer has always had a good passing game. He gets quarterbacks and receivers. C-M's John Zinda usually has a good running game and he has linemen (something Ambord always lacks) and running backs.

There is no better argument than that for combining the two. Together, they make one whole team.

Last year Claremont-Mudd walloped Pomona-Pitzer, 69-35, and defeated Occidental, 31-24, for its only league wins.

Pomona-Pitzer hasn't won a conference game since 1974 when the Sagehens upset the Stags, 33-22. Since then they have dropped 13 straight SCIAC games.

In fact, the 'Hens have won only two conference games out of 26 in the last five years.

"The team that makes the fewest mistakes will probably win this one," said Ambord. "We don't do well against the run so we have to find some way to stop Jim Reed."

Reed is third among conference ground gainers and has the highest average, 4.8 yards per carry.

"This is always a tough game for us," commented Zinda. "We're going into it without a passing attack. They have the ability to throw and score the quick touchdown."

The Stags have allowed an average of only 107 yards a game on the ground to their opponents. But they have given up an average of 190 yards per contest in the air.

At Whittier, La Verne will be facing a team that has allowed its opponents only 38 yards a game rushing. Brad Frick and Ben Morrow, both among the top five runners in the league, will be tested.

La Verne expects to have quarterback Mark Beaty back although he won't be 100 percent.

Sports briefs

O.J. doubtful starter

BUFFALO (AP) — O.J. Simpson, the Buffalo Bills' star running back, was listed Friday as a questionable starter for Sunday's National Football League game against the Seattle Seahawks.

"Examinations conducted Thursday on O.J. Simpson's left knee reveal that a derangement of the knee has bothered him for the past several weeks. Plans to play in Seattle on Sunday are based on the condition of his knee ... at game time," the Bills said in a prepared statement.

Batista, Zarate meet tonight

LOS ANGELES (AP) — Danilo Batista's first fight outside of Brazil figures to be the toughest bout of his career, by far.

The 25-year-old Brazilian, unbeaten in 26 outings, takes on Carlos Zarate of Mexico tonight for the World Boxing Council bantamweight championship.

It will be the fourth title defense for Zarate, who brings a 47-0 record with 46 knockouts into the 15-round fight at the Sports Arena that was originally scheduled Oct. 8. The bout was postponed for three weeks because of a bruised knuckle on the left hand suffered by the champion.

A's to New Orleans?

NEW ORLEANS (AP) — A group in New Orleans has promised to put up almost half of the $12 million purchase price of the Oakland Athletics' major league baseball team, a New Orleans newspaper reported Friday.

The report, in the New Orleans State-Item, quoted a source close to negotiations with A's owner Charles Finley as saying the $5.4 million promised by the group is more than enough to finance the down payment for the ailing American League franchise.

Joe Louis flown to Houston

LAS VEGAS (AP) — Former heavyweight boxing champion Joe Louis, hospitalized last week after being stricken with chest pains at his home, was to be flown to Houston Saturday to be treated by world-famed heart surgeon Dr. Michael DeBakey.

Officials at Sunrise Medical Center, where Louis spent six days in the coronary care unit, said Louis' trip to Houston was delayed for one day because of the unavailability of an air ambulance.

Ontario romps over H.L. foe

Albert Newman sparked Ontario High to a 40-0 romp over Sierra Vista Friday night at Sierra Vista.

The senior halfback carried the ball 17 times, gained 145 yards, scored two touchdowns running and completed one of two passes for eight yards to Jon Thomas for another TD.

In other games, Webb (3-0) rolled to a 37-20 victory over Orange Lutheran; La Verne Lutheran defeated Sherman, 14-6 and Calvary Baptist beat Bethel Christian, 37-14.

At Sierra Vista, the Jaguars outrushed the Dons, 342 to 33 and outpassed them, 129 to 86.

Surprisingly, neither team could move the ball at the outset. They exchanged fumbles before Ontario got rolling on its third possession.

Quarterback Sonny Medina drove the Jags 71 yards in six plays for the first score.

With a first down at the Sierra Vista 33-yard line, Newman took a pitchout to the right and went all the way in to score.

Newman also starred on defense, intercepting two passes.

The most spectacular run of the night came with less than a minute to play. After Sierra Vista had moved from its own 40 to the Ontario six, the drive died and the Jaguars took over.

Rodney Davis, a junior just up from the jayvees on his only carry of the game, sprinted 94 yards for the last touchdown of the game with 39 seconds left.

Medina finished with five completions in 15 attempts for 71 yards and a TD. Paul Bernard carried 15 times, netted 71 yards and one TD.

Ontario, 3-2 in league and 5-2 overall, hosts Bonita Thursday night at Chaffey High.

At Webb, tailback Leon Harrison scored three touchdowns while gaining 191 yards on 18 carries. Harrison also had a 74-yard TD called back because of a clip.

Craig Downey of La Verne Lutheran set a school record with 147 yards on 19 carries as the Trojans won their first game of the season. Downey also had seven tackles as a middle linebacker.

Robert Turner led Calvary Baptist with 108 yards in 14 carries in its win over Bethel Christian.

JC gridders hope for home advantage

By JIM McCONNELL
PB Staff Writer

The valley's junior college football squads will be hoping the home-field edge holds up tonight as all three are slated to meet conference foes on their own turf.

Mt. San Antonio will host Cerritos in a key South Coast Conference tilt, while over in the Mission Conference Citrus will try to stay atop of the heap with a win over Southwestern and Chaffey will try to stay in the running with a victory over San Bernardino Valley.

All of those games will start at 7:30 p.m.

MSAC needs a win tonight vs. a talented Cerritos team to stay with SCC front-runner Fullerton. The Mounties have won their last two games and appear to be putting it together for a stretch run at the SCC flag.

"Cerritos has a pro-type defense and their offense is really complicated," notes MSAC coach Mal Eaton. "They run a lot of trap plays and sprintouts around the ends. They have a good passing game and an outstanding runner in Jim Copeland."

Copeland is third in the conference in rushing with 471 yards on 73 carries, and is also the league's third leading all-purpose runner.

Falcon quarterback Kevin Hamilton has completed 64 of 109 passes for 629 yards. His favorite target is Marc Mendez, who has 26 receptions good for 297 yards.

"We'll have to be consistent and we can't afford any turnovers against Cerritos," Eaton said. "They are a fine team and it's going to take a supreme effort by us to beat them."

Cerritos mentor Ernie Johnson had some kind words for the Mounties as well.

"We respect this team," Johnson said. "They proved they had a fine team when they met Pasadena City this year, they should have won that game."

Citrus figures to have an easy time of it against Southwestern (1-5) tonight, but Owl coach John Strycula isn't counting on it.

"Southwestern has given us as much trouble as anyone in our league," Strycula claims. "We can't afford to play a bad game against them."

Paramount in Strycula's mind when he made those comments is the fact that the Apaches were the only M.C. team to dent the Owls' record last year, holding Citrus to a 14-14 tie.

Southwestern has a strong rushing game, but its passing attack is suspect.

The same might be said for Citrus if quarterback Ken Eriksen isn't healthy. The frosh from Glendora injured a knee last week in the Owls' big win over Chaffey and could be held out of tonight's game.

Richard undergoes surgery

HOUSTON (AP) — Houston Astros pitcher J.R. Richard was reported in good condition Wednesday after undergoing an emergency appendectomy.

Astros officials said Richard became ill early in the day at his home. He is expected to be in Methodist Hospital four to six days.

San Dimas to visit H.L. foe

San Dimas High will visit Royal Oak at Charter Oak High and Don Lugo will host Nelles at Chino High in tonight's prep football action.

The Saints (1-3 in Hacienda League play, 1-5 on the season) would get a big boost from from set win over the Romans (3-1, 3-3), but Don Lugo's Conquistadores probably have even more at stake tonight.

Nelles (4-1) and Don Lugo (3-1-1) are currently the two leading contenders for a possible free lance berth in the Desert-Mountain playoffs. Capistrano Valley (3-2) would be next in line but Nelles upset Capistrano Valley, 22-19, last week.

Thus a victory for the Conquistadores would put them in a strong playoff posture. If Don Lugo wins this game and its last two, it would almost surely be entered in postseason play, an impressive feat for a school that has only sophomores and freshmen.

Unfortunately, head coach John Monger has lost defensive captain Steve Moore for the season because of a cracked scapula he suffered last week. Three other starters — Evan Matthews, Scott Medeiros and Manuel Villalobos — missed some practice this week with injuries.

Nelles is led by quarterback George Hernandez and wingback Steve Cabrera, a Pomona resident. Upland resident Jay Gomez also plays for Nelles, a private school in Whittier.

If Eriksen can't play, Bruce Johnson will take over the controls. Johnson, from Pasadena, is a fine runner but nowhere near the passer Eriksen is.

Chaffey, facing a "must-win" situation, will entertain SBVC tonight. The Indians have had trouble getting on the scoreboard in conference play. SBVC has only one score in three M.C. outings, a touchdown in last week's loss to Riverside CC.

However, the Indian defense ranks with the best in the conference and the Panthers will have to move the ball better than they did against Citrus to avert an upset.

SBVC's offense, what there has been of it, has been led by sophomore backs Joe Hillstock and Dale Bouman. Hillstock, the former Claremont High star, has rushed for 246 yards in six games, while Bouman has amassed 277 yards. Neither, however, have scored a TD this year.

Earl Anthony ups earnings

AKRON, Ohio (AP) — Earl Anthony returned to action last weekend after a lengthy pause and boosted his winnings by $1,500 — but remained in third place in the Professional Bowlers Association money ranks.

Mark Roth of New York, No. 1 on the cash ladder with $89,083, earned $435 by rolling 42nd to Anthony's eighth-place finish in the open tourney at Battle Creek, Mich., that was won by Mike Berlin of Muscatine, Iowa. The $6,000 first prize raised Berlin's earnings to $48,215.

Tommy Hudson of Akron, who finished out of the money at Battle Creek, remained second this week with $80,358.

Poly tries freshman QB

By BILL LANGLEY
PB Sports Editor

Cal Poly will turn to a freshman quarterback this evening in hopes of recording the first football victory of the season.

Gordy Bohannon, who was a big winner during his prep career at South Pasadena High, will direct the sputtering Poly offense in a 7:30 p.m. kickoff at Kellogg Field against Cal State Northridge (4-2).

"Bohannon has looked excellent in practice this week," reports Poly Coach Jim Jones, frustrated by the Broncos' 0-5 start this campaign.

"I really think Bohannon is going to do the job for us this week," Jones added. "Our offense is capable of playing its best game of the season. Bohannon does those intangible things which get a team going. He has a real consistent attitude and reflects a positive approach for the entire team."

Jones is anxious for a good performance tonight as Poly begins the second half of the season.

"I've told my players that we just have to make the best of our current situation," he said. "That means 5-5. That's what we're thinking."

While Northridge's program has gone way up under the coaching of Jack Elway, Jones realizes his team has a better chance to knock off the Matadors than the previous three opponents — UC Davis, Northern Arizona and Ball State.

"For once, we're playing somebody I don't feel we have to have a super effort and hope the opponent plays down for us to have a chance of winning," Jones said.

Elway, a former Washington State assistant, led the Matadors to an 8-3 season last year, the best in Northridge's grid history. But Poly handed CSUN a 20-7 setback for the Broncs' third consecutive victory over the Matadors to even the series at 7-7.

The win over Northridge is Poly's last previous victory as the losing streak has reached seven including the final two games in 1976.

Northridge comes here with a fine record but the Matadors have not played nearly as tough a schedule as Poly. In their last game, the Matadors drubbed a weak University of San Diego squad, 56-20.

Quarterback Paul Feuerborn is Northridge's offensive leader. He has a balanced running attack with Willard Thurston, Mike Maglione and Lennie Harris all rushing for more than 200 yards.

Bohannon, who directed South Pasadena to back-to-back 14-1 and 13-1 seasons including the CIF 3-A championship in 1975, got his chance to start tonight after directing the Broncos on a late scoring drive in last week's 66-10 smashing at the hands of Ball State.

He is one of six freshmen starting tonight's game.

Bohannon, the best passer on the team, will be looking for senior Teddy Myles as his chief target.

Myles, who was plagued by minor injuries early in the year, is healthy now.

He was named the CCAA Offensive Player of the Week for his seven receptions for 91 yards last week. He tops the CCAA season stats with 23 catches for 241 yards.

Because the CCAA is down to three football-playing members, there is no longer an official grid champion but Jones would love to have his team beat both Northridge and Cal Poly San Luis Obispo to be the unofficial champs.

"Devil ray" is another name for the great manta, a giant ray of the open sea. This huge fish can grow to be more than 20 feet across and weigh well over a ton.

Its big winglike fins and flattened body give the devil ray the appearance of a huge bat flapping through the water.

Subject of many fish fables, the devil ray has long been feared by pearl divers and fishermen, who believed that it would enfold them in its great wings and then devour them.

But there is no danger of that. Despite its name and great size, the devil ray is harmless to humans.

It eats only small kinds of animal life in the ocean. Two feeding fins in the front of its head help sweep food into its cavernous mouth. Its teeth are very small and perhaps useless.

Devil rays often leap high out of the water, landing with a thunderous slap. No one knows why they do this, but it may be to shake off annoying skin parasites.

Professor writes book on issues of controversy

A controversial, contemporary Biblical book has been written by Claremont Men's College professor Donald M. Williams, entitled "The Apostle Paul and Women in the Church."

In the introduction of his book, the Rev. Williams states, "The Biblical storm center for the woman's issue is the Apostle Paul. Maligned on the one hand, exonerated on the other, Paul himself is lost behind a barrage of claim and counter-claim."

The book looks at the place of women in the church, and considers questions on theology, family and church order.

The question of women, said Reverend Williams, is one of the crucial issues facing the church and the world today. It allenates and divides serious Christians and even whole denominations.

"Early in January 1977," he said, "Pope Paul VI denied women's ordination into the priesthood. About the same time, Bishop Moore ordained Ellen Marie Barrett, a lesbian, to the Episcopal priesthood. No wonder the world watches the church with skepticism and confusion."

His book begins with a review of current popular literature on women, especially as they relate to Paul. The survey includes the traditional views of Helen Andelin's Fascinating Woodhood;" Marabel Morgan's "The Total Woman;" Larry Christenson's "The Christian Family;" and Betty Friedan's revolutionary "The Feminine Mystique."

According to its publishers, the BIM Publishing Co., in Van Nuys, the book will "Lift the fog on what exactly Paul says about women. Here for the first time," they stated, "all the letters and all the verses where women are mentioned by Paul are brought together with a careful, readable, illuminating commentary."

Council task force brings spiritual aid to hospital patients

The Pomona Valley Council of Churches, through its task force on hospital chaplaincy services, is seeking a way to bring spirual assistance to the patients of Pomona Valley Community Hospital.

This task force, chaired by the Rev. Keith Korstjens, associate pastor at the First Baptist Church of Pomona, is made up of a coalition of three community agencies: The Pomona Valley Council of Churches, the School of Theology at Claremont and the Pomona Valley Community Hospital.

Because of the work of this task force, composed of doctors, pastors, hospital administrators, laity and professors, the hospital has become the clinical setting for a little known aspect of ministerial training. The School of Theology at Claremont, cooperating with hospital staff and the Pomona Valley Council of Churches, is stepping up its practical-work course by placing students in the wards to give spiritual assistance under professional direction.

The School of Theology personnel who oversee the new course are Dr. Paul G. Schurman, assistant professor of pastoral counseling and R. Scott Sullendar, a Ph.D. candidate. David Pearce is the social worker member of the team. The operation is partially supported by gift. An anonymous donation of $1,000 was recently received.

Six churches join in parley

Six Chino churches will unite Nov. 6 in an ecumenical endeavor called "Conference on Things to Come."

It will be held from 2 to 5 p.m. at the Ontario High School auditorium.

It is sponsored by the following churches: Calvary Christian Reformed, Chino Valley Reformed, Christ Lutheran, First Christian Reformed and Immanuel Lutheran. The invocation will be given by the clergy of Our Lady of Guadalupe Roman Catholic Church of Chino.

Six lectures will be given by participating pastors, with two intermissions. A choir anthem is to be presented entitled, "The Apostles' Creed." A book table for Catholics, Protestants and Orthodox will be provided. Donations will be accepted to cover costs of the event. This comprehensive Bible prophecy seminar is for clergy and laity. Youths are urged to attend.

Lecture topics are: "No Second Period of Salvation," "New Testament Israel and the Jewish People," "The Book of Revelation and How the Church has Understood the Millennium," "Last Things According to Jesus," "Old Testament Prophecy and Dispensational Illusions" and "At Christ's Coming."

Pomona, California ■ Saturday, October 29, 1977

Rancho one of state's finest restored houses

Story on pages 6-7

Doc Peirsol

It happened in Pomona

Music hath charms they say, and here in Pomona that statement was undoubtedly just as true in the year 1904 as it is today. But in that bygone era its charms were sometimes responsible for other things than simply soothing the savage beast. Once, unfortunately, it was even responsible for petty thievery, a happening which, because it was apparently a dull day for news, was given front page prominence in the July 9, 1904, issue of The Pomona Daily Review.

"The brass of some people is amazing," that crime report began. "Someone in Pomona feels that he or she can't afford to buy sheet music but needs mutilate the magazines at our Public Library. It was recently noticed that someone had torn two pages from one of this month's magazines in the reading room in order to obtain some music written thereon."

CHESS LORE

An excellent piece of detective work and journalism is the recent short article by Bobby Fischer's biographer Frank Brady in the September issue of the British magazine Chess.

We learn from Brady that Fischer's 20-million-dollar lawsuit against publishing house Stein and Day, Time-Life International and writer Brad Darrach, who wrote a now infamous book about Bobby, was thrown out of California's District Court on the grounds that the presented brief "was not properly prepared."

It seems that Fischer, himself, wrote the brief, about which Brady comments: "although somewhat unstructured in form and content, Fischer does represent all the facts."

In a taut rejection of Darrach's "shabbily distorted portrait" of Fischer, Brady informs us: "As Fischer's biographer, I must admit that he is difficult, intense, and often detached but he is certainly not the uneducated and hysterical pet-baboon that Darrach so vividly but so inaccurately develops."

Brady expects Fischer who told the judge: "I'll not pay a penny of federal income tax until I get justice in this case," to win a appeal of the California decision.

MILES SHOWS HIS CLASS

In manner and image more a pop idol than a traditional grandmaster, England's Tony Miles has lately been on a chess rampage. After winning three competitions in a row, including the prestigious Biel and Amsterdam international tournaments, Miles has finished second to World Champion Anatoly Karpov at Tilburg in the Netherlands.

Beating Soviet grandmasters Ex-World Champion Vassily Smyslov and Yuri Balashov in the early rounds, he blew a tie with Karpov by losing his last round game to Andersson.

Final results: Karpov 8; Miles 7; Hort, Kavalek, Timman and Hubner 6; Gligoric 5.5; Andersson, Balashov and Smyslov 4.5.

SHOREBIRD DECOY

Stamps in the news

By SYD KRONISH

A new U.S. 10-cent regular stamp in the Americana Series will be issued in coil and sheet form at two separate locations in November. The stamp will be the third in the Americana Series to highlight one of the four freedoms guaranteed in the Bill of Rights. It emphasizes "The right of the people to petition the government for redress of grievances."

Earlier stamps in the series were based on "freedom of the press" and the "right of people peaceably to assemble."

The new design depicts the "Contemplation of Justice" statue located to the left of the staircase leading to the Supreme Court Building in Washington.

The 10-cent denomination does not mean that postal rates are decreasing, but rather going up! The stamp will meet the proposed new postage rate for postal cards expected to be implemented in May 1978.

The coil version of the stamp will be placed on sale at Tampa, Fla., on Nov. 4, the opening of FLOREX 77, the annual exhibition of the Florida Federation of Stamp Clubs. The sheet version will be issued in New York City on Nov. 17 during the annual National Postage Stamp Show of the American Stamp Dealers Association.

Orders for first day cancellations should be addressed as follows: "Petition for Redress Stamp, Postmaster, Tampa, Fla. 33602" or "Petition for Redress Stamp, Postmaster, New York, N.Y. 10001." The cost is 13 cents per cover and the U.S. Postal Service will affix a Francis Parkman three-cent stamp to meet the rate for first class postage.

One Stamp Expo — called Stamp Expo '77 Pacific — recently took place in California, and another is upcoming. The first, held in Los Angeles from Sept. 2-4, was called Stamp Expo '77 Pacific. The second, in Anaheim, scheduled for April 7-9, 1978, will be called Stamp Expo '78 South.

Shorebird decoy of high quality

By D. HAMMOND

QUESTION: Upon reading your article about Crowell decoys, I have been wondering if you could tell me something about the nicely carved bird in the enclosure, as it is marked. The letter "P" is pressed into the wood on its breast.

This item was bought by our son two years ago in Vermont. Since there is a lot of interest in decoys here — I collect the floating type — I would like to know more about the origin and age of this shorebird decoy. S.E.B.

ANSWER: You have a very decorative shorebird typical of those made by Percy Perkins of Seabook, New Hampshire. Mr. Perkins marks all of his decoys in this manner. He began carving birds in 1911, but didn't become really active in the business until his retirement eight years ago. Because of the quality of his decoys they are very much in demand nowadays.

QUESTION: During the last antique sale here in Barbados, W.I., I bought a tea pot for a friend. Later I spoke to the woman who had put it in the auction and, I learned that it had been given to her many years ago, while on a visit to the States. At the time, she was told that the teapot was very old. I have had a sketch made of the marking and the teapot. I would like to know if this is an antique? F.W.

ANSWER: Your teapot marked HALL within a circle was the mark used by the Hall China Company around 1930 — and therefore is not old enough to qualify as an antique — but this ware is very collectible today.

The Hall China Company began production in 1903 — turning out bedpans and combinets (combination chamber pots and slop jars). Within a short time other white-glazed china was being made, such as bowls, jugs and mugs, but it wasn't until in 1911 that the firm began to grow. In 1920, three tea pots from its its insititutional line (now referred to as the General Line) were decorated in gold, thus beginning the famous tea pot line. In 1932 kitchenwares were introduced, then dinnerware in 1936 and refrigerator ware followed in 1938.

For additional information in this field an excellent book is available by writing to Depression Glass Daze, Box HB, 12135 N. State Rd., Otisville, Mich. 48463, written by Harvey Duke ($11.95 p.p.).

QUESTION: Can you tell me if I have a miniature coffee grinder or a toy?

Recently, I purchased several pyrex casseroles and this very small coffee grinder at an estate auction. The box portion measures 2½ inches square and is exactly 2 inches high. The Grinder is metal and there is a small wooden drawer with a metal front and pull attached.

On the bottom of this item is the inscription "To Rosie, 9 years old," and across the panel above the drawer are the words "Little Tot." What do I have and is it worth more than the $12.50 I paid for it and all the casseroles? Mrs. S.H.C.

ANSWER: You have a toy coffee grinder and today these retail in shops from about $30-$45.

QUESTION: What value would you place on a small stove-top waffle iron, made in three pieces, approximately eight inches in length with wooden handles? The raised word "WAGNER" and "Pat. 1916" appears on one side. I believe this little waffle iron is called a "salemen's sample."

All three pieces — the two irons and the holder — are in fine unused condition. This was a gift to my mother in 1920, when she was six years old. Mrs. B.W.

ANSWER: Small waffle irons like you have described sell in the $65 to $85 price range.

Camera angles: international photo competition

Photographers aim to capture 'human rights' mood

By IRVING DESFOR
AP Newsfeatures

Items from a photo columnist's mailbag: An international photo contest, an innovation in gadget bags, and a new idea in old-fashioned postcards.

With the announcement by the United Nations of "Human Rights Year — 1978," an international photo competition was conceived with the theme, "WORK and LEISURE." From photos submitted from around the world, a selection will be made for an exhibition to be displayed at the 1978 Photokina — World's Fair of Photography — held in Cologne, Germany, every two years. The selected pictures will be hung in the Cologne Art Gallery from Sept. 15 through Oct. 1, 1978.

The photo contest theme focuses on two vital human rights: 1. WORK — a fundamental value of human existence, giving dignity and purpose to peoples' lives and performing a service for individuals and society. 2. LEISURE — a positive quality of life, giving self-fulfilment for all through the creative use of free time to pursue hobbies or relaxation.

The contest celebrates the 30th anniversary of the proclamation by the U.N. of the Universal Declaration of Human Rights. It invites all photographers everywhere to make an individual contribution by submitting their conception of the theme in meaningful images.

All photographers are eligible but only prints can be entered, in color or black-and-white, in sizes ranging from seven inches square up to 12 inches square. Transparencies are not acceptable. Original negatives and transparencies from which prints are submitted are to be available for display enlargements, if needed, and for possible publication in the Photokina catalogue, but photographers retain the copyright.

Prizes and awards will be given to the most outstanding entries among those selected for the Photokina exhibition by organizations cooperating in the project. There are United Nations placquettes, Photokina obelisks, and medals from the Federation Internationale de l'Art Photographique. In addition, Lufthansa Airlines will grant international flights as prizes and every participant in the exhibition will receive a U.N.-Photokina certificate. Deadline for entries is Jan. 31, 1978.

Send entries to, or write for a multi-lingual contest brochure to: Photokina-"WORK and LEISURE" Contest, P.O. Box 21 07 60, D-5000 Cologne 21, West Germany.

News of an innovative new camera gadget bag comes from Spiratone of Flushing, N.Y., one of the most versatile photo supply dealers in the country. They've just introduced CarryAll Supreme, the bag with an "inner secret."

The secret is a large outer pocket which contains two built-in, elasticized, light-proof sleeves which convert the compartment into a portable, on-the-spot, light-tight changing bag. The sleeves tuck into the compartment when not in use.

Any photographer who has had his camera jam while loaded with film, or has torn the film and has to remove the exposed portion in an emergency, knows the value of a changing bag. It can also be used to load a developing tank, load sensitive infrared film into a camera, or perform other chores requiring absolute darkness anywhere you happen to be in daylight.

The bag itself is constructed of supple vinyl material laminated with a foam backing for insulation against the hazards of travel and use. It measures 14 inches long by 11½ high and 8 wide and weighs only 25 ounces.

The bag's main inside compartment accommodates a 35mm SLR and has three large pouches for extra lenses and-or a 35mm camera body. A large front-zippered outside compartment provides ready access for small accessories like a flash unit, light meter, etc., while a handy side pocket holds film. Another shallow, outside zippered compartment is handy for photo prints, instruction manuals, maps and other flat material. Two side zippers protect the access to the sleeves of the "changing bag."

The Spiratone bag has another desirable feature ... it's economical (under $17). And that brings us to the last item in my bag — photo postcards.

The latest return in that area is a return to nostalgic, oldtime views of our big cities printed on ready-to-mail postcard stock in books. They come in eight-page paperbound books, four postcards to a page, each perforated for easy removal.

The series started with "Thirty-Two Picture Postcards of Old New York" and continued with Old Washington, D.C., Old Philadelphia, Old Boston, Old Chicago and Old San Francisco. They are published by Dover Publications, New York (each $2) and are printed in sepia duotone.

The photographs in these historical postcard collections range from the Civil War era to the 1920s and they include bustling street scenes, landmark buildings and important events in each city.

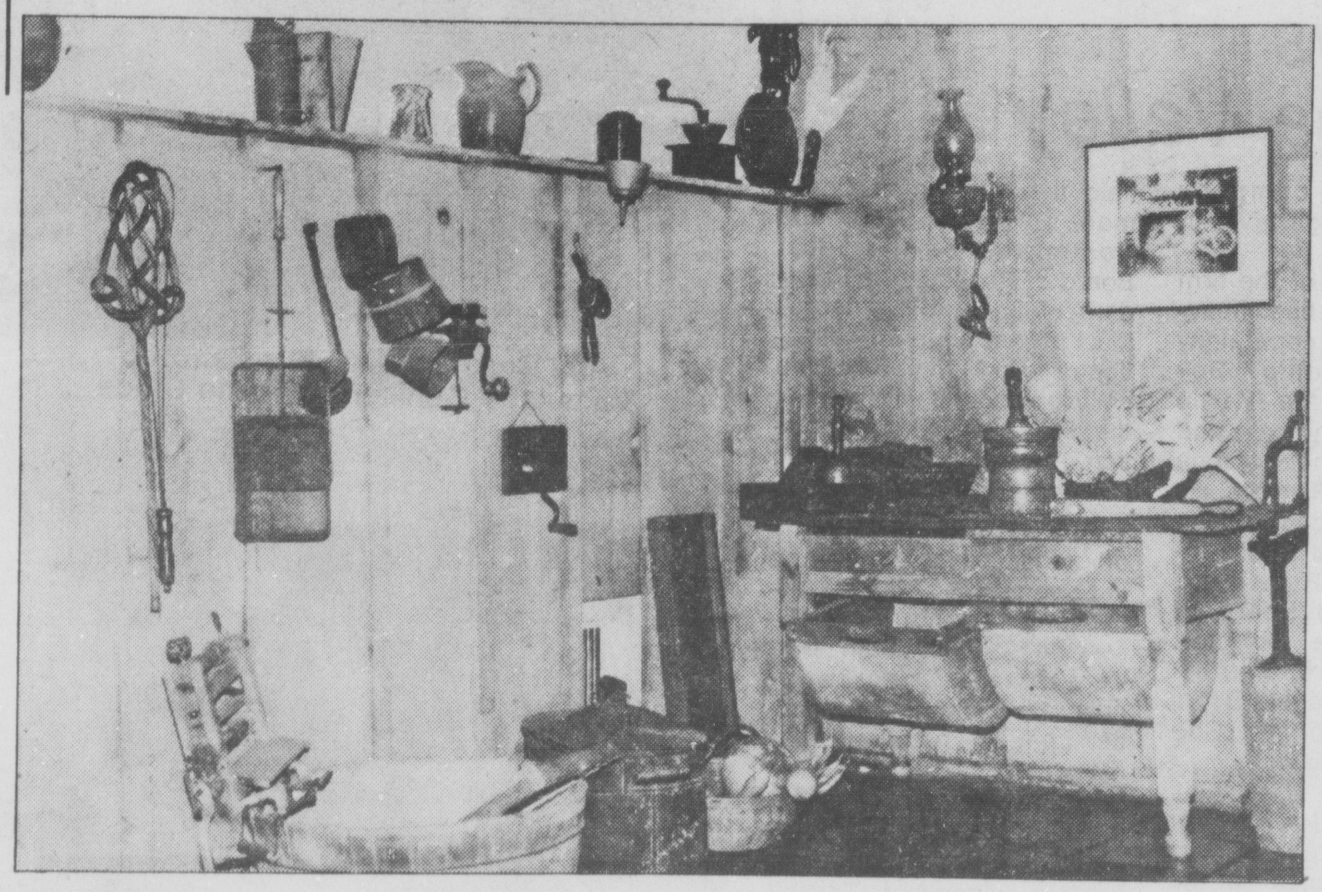
An old ranch wagon lends a picturesque touch to the garden of the adobe.



Turn-of-the-century utensils and equipment are displayed in the old-fashioned kitchen.

A young mother in period dress sets the table for a family dinner.

She's 133, but still a charmer

Nestled amid towering eucalyptus, palm and Italian cypress trees at the north end of Virginia Road, Long Beach, stands a 133-year-old Spanish adobe that is one of the finest restored buildings in California.

La Casa de Rancho Los Cerritos, a handsome, two-story structure of adobe and redwood, was designated a National Historic Landmark in 1970. It is operated by the Long Beach Public Library as a museum and historic library and maintained by the city park department.

Rancho Los Cerritos (Ranch of the Little Hills) was part of a huge (156,000 acres) Spanish land grant given in 1784 to Manuel Nieto, a sergeant in the army of explorer Don Gaspar Portola. In 1834 the grant was divided into six ranchos, including Rancho Los Alamitos, also owned by the City of Long Beach, and in 1844, six years before California became a state, Don Juan Temple built the casa of adobe brick made on the grounds and redwood beams from the forests near Monterey. The foundation was fired brick brought around the Horn by sailing ship.

During Temple's time, the house was headquarters of a ranch where cattle were raised, primarily for their hides. After 1866, when Flint, Bixby and Company purchased the ranch, sheep-raising became the primary occupation. The house is furnished as it might have been during the second period of its history when the Jotham Bixby family lived there from 1866 to 1881. Members of the Bixby family have donated chairs, tables and desks for the parlor and dining room.

The adobe has undergone some modifications over the years, including some remodeling in 1930, but the majority of the rooms are original. The stairway to the second floor was the one built in 1844. Part of the original wall surface can be seen beside the front door, and the small balcony in the livingroom is a remnant of the original ceiling. The dining room has been enlarged but the beams are the old Monterey redwoods.

Adding to the feeling of a lived-in home are female manikins dressed in period costume — here a pretty hostess preparing to greet guests, there a young mother setting table for a family dinner. The upstairs bedrooms are not open to the public because of fire regulations.

The library was created by removing an interior wall and combining the ranch office and a storeroom. The Rancho Library contains a collection of books, maps, photographs and other source materials pertaining to the history of California, Southern California and the Southwest. Library materials may be used in the building. Over the fireplace hangs a portrait of the Rev. George W. Hathaway (1807-1891), father of the wives of Llewellyn, Jotham and John Bixby. The two rooms beyond the library were created from the old blacksmith shop, and circular air vents and the wide doorway are reminiscent of the early use of the room. It contained a forge, a long work bench, and tools for working iron and wood. Some of the casa furniture was made here.

The north wing of the adobe contained the kitchen, a large mess hall for ranch employees, a wood storage room and a dairy room. Today it houses workshops, storerooms, a garage and a caretakers apartment.

La Casa de Rancho Los Cerritos and its colorful gardens are open to the public from 1 to 5 p.m. Wednesday through Sunday. Admission is free. It is located at 4600 Virginia Road. The curator is Roberta Nichols, (213) 424-9423.

Evaporation

Water evaporates from lakes, rivers and oceans throughout the world on sunny summer days at the rate of some 16 million tons a second making the air muggy and humid. The moisture eventually returns to the earth as rain, snow or some other form of precipitation.

TEEN SCOPE

By Western Christian School

'Jog-a-thon' entry planned

The students, faculty and staff of Western Christian School in Glendora will participate in the second annual "Jog-a-thon" on Nov. 2.

Proceeds from the one-hour "jog-a-thon" will be used for such activities and projects as choir tours, Mexicali Outreach, athletic equipment, travel-study abroad tours, science laboratories and school support.

The participants are raising their own sponsorship money for each lap around the school track they can run or walk. Sponsors will donate 10 cents to $10 per lap, and each jogger will have as many sponsors as possible. Prizes including a 10-speed bicycle, transistor radios and running shoes will be awarded for those raising the largest amounts.

The "jog-a-thon" is being organized by Dick Adams, assistant superintendent of Western Christian, and Bob Jennings, athletic director. "This event involves everyone on our campus," said Adams. "It's great to see both faculty and students working together in support of their school."

Support pledges are made by family, friends, alumni, and others interested in secondary Christian education. All money is collected through a computer billing system, and is tax deductible.

Off to a running start

By ROSE TRESSEL
St. Lucy's Correspondent

Off to a running start for the 1977-78 school year is the Service and Keywanettes Club of St. Lucy's Priory High School in Glendora.

Its first assignment was to serve at the Dad's installation potluck dinner Sept. 15. Since then members have served as the annual steak dinner-dance, during intermission of the school play, and at the school fashion show.

They will serve at the Boutique de Noel on Nov. 6.

The Keywanettes are sponsored by the Kiwanis Club of Glendora and the students will assist the club in collecting canned goods for Thanksgiving and Christmas giving.

Last year the club delivered "Safeguard Against Crime" packets for the Glendora Police Department.

The Service and Keywanettes Club has one purpose, to serve the people of the school and the community.

President of the club is Kathy Herman of Glendora. Andrea Brutocao of La Verne is vice president. Treasurer is Phyllis Cunice of Glendora and Sherie Badowski of La Verne is secretary.

Reptiles ruled

During the Permian Age, which began about 270 million years ago, reptiles were the dominant form of life. Today, only three groups of amphibians exist — frogs, salamanders and caecilians; five groups of reptiles are extant, including turtles, lizards, snakes, crocodilians and the tuatara.

A Special Message of Love and Caring
By Rose Kennedy

In recent years the problem of mental retardation has come out of the closet. From the oblivion of institutions, the mentally retarded are now taking their place in society, with many performing useful tasks. Here to share her own hope and optimism is one who knows the problems of the retarded by dealing with them firsthand as the mother of a retarded daughter — Rose Kennedy.

Patty Duke Tells How She Combines Career And Family

Patty Duke and her husband John Astin believe that the family that acts together stays together. So a few years ago the whole Astin clan, including five sons, took to the road when their parents went on tour. Patty's life hasn't always been so dramatically peaceful — her early successes and image as the "all-American teenager" landed her on a psychiatrist's couch. But together the acting Astins seem to be a winning team, as you'll see in this Family Weekly profile.

Pomona Key Club tricks for charity

By MAUREEN SILVESTRI
Pomona Correspondent

The Pomona High School Key Club will be "trick or treating" for canned goods Monday from 6:30 to 8:30 p.m.

The club will have two crews going from door-to-door on the north side of Pomona. The boys will be asking for cans from each house they visit.

Last year the club netted more than 250 cans. This year promises to be more successful. The proceeds from this collection are to benefit the Salvation Army.

This years Key Club officers are president Eric Ford, vice president Wes Wisham, secretary Jeff Wisham and treasurer James Jennings.

The club would like to ask for support from the entire community on this project.

Sheridan wins scholarship competition at Upland High

Patrick Sheridan has won the Century III Leaders Scholarship competition at Upland High School, according to Dave Campbell, principal.

The 17-year-old now is eligible to compete with other high school seniors throughout California for one of two $1,000 scholarships and also for a $10,000 national scholarship to be awarded in a conference of state winners in Colonial Williamsburg, Va.

Sheridan triumphed in the local phase of the Century III Leaders Scholarship Program, a national future studies, writing, citizenship, and current events awareness competition. To do this, he scored highest at the school in a current events examination and the writing of a brief essay on America's needs and challenges for the future.

The program is administered by the National Association of Secondary School Principals and funded by Shell Oil Co.

Sheridan, son of Mr. and Mrs. Richard Sheridan, now competes with other high school winners from around the state for two scholarships and an opportunity for the $10,000 top national scholarship.

The two California winners will receive an all-expense-paid trip to the third annual Century III National Leadership Seminar in Williamsburg, Feb. 24-27, to participate in seminars on current issues.

Entries were judged on the basis of the student's demonstrated leadership potential and their viewpoints, as written, on particular issues that America is likely to confront and how such challenges should be met.

'Can't relax outside,' innocent man gets prison cell back

RALPH LOBAUGH

MICHIGAN CITY, Ind. (AP) — Ralph Lobaugh walked out of the Indiana State Prison in August after serving 30 years behind bars for three murders that authorities were fully aware he didn't commit.

But he had spent so much time in the maximum security institution here that he could not cope with the freedom he had sought for 14 years and after only two months outside he returned to his cell.

Lobaugh, 60, told officials he could not relax on the outside, and went back behind the grey walls here Oct. 21. He was reassigned his old cell and prison job.

"He just got nervous and real excited and wanted to go back to prison," said Harold G. Roddy, director of Indiana's inmate work release program. "The man is institutionalized — he's just been locked up too damn long."

Lobaugh was freed Aug. 24 when Gov. Otis R. Bowen approved clemency but ordered him to spend six months in a work release center before receiving full parole.

Lobaugh was assigned to the Indianapolis center and lived there quietly, sweeping floors and minding his own business, until requesting a transfer to the South Bend work release center 11 days ago. He found a job sweeping floors in a church there but worked only three days before telling officials he would rather be in prison.

"He just had difficulty settling down, he was always nervous. He couldn't get used to the younger men and the dormitory-style living in the work release center," Roddy explained. "He just wanted to live in a cell again and be with his old friends."

Lobaugh first entered prison in 1947 under sentence of death in the electric chair after he confessed to the rape-murders of three women. His execution date was stayed three times. It is not known why he confessed to a series of crimes he didn't commit.

The murders took place in Fort Wayne, Ind., and Lobaugh walked into a police station in Kokomo — about 80 miles away — and told the police there that he was the killer. The false confession came some time after the crimes were committed.

By late the following year, police learned he hadn't killed anyone after two other men were arrested in the case. One of them was executed.

A state panel investigated the case after the convictions and reported it could find no reason why Lobaugh should be released despite the knowledge that his confession was false.

In 1951, then-Gov. Henry F. Schricker commuted Lobaugh's sentence to life, calling the tangled case "one of the most sordid messes in history." But because the first-degree murder conviction never was lifted, Lobaugh could not be freed.

By then he had become seriously ill and suffered from hallucinations, so officials placed him in a mental institution until 1963, when he was returned to prison.

Lobaugh became a model prisoner and began pleading for freedom, but no one listened for another 14 years until Bowen granted clemency.

"He's not at all well and has a little arthritis in his legs and feet, but he can work and wants to go out and work," declared Warden Jack Duckworth when he opened the prison gate for Lobaugh in August.

"I guess Ralph just couldn't make it," Duckworth said this week. "I haven't talked with him yet, but he's got his old job back at the power plant."

To lose billions of dollars in tax credits

Business hit hard by Senate vote

Benefits cut for changing from natural gas and oil to other fuels

WASHINGTON (AP) — The Senate, considering a $49 billion energy tax credit bill, voted overwhelmingly Friday to knock out billions of dollars American businesses would receive for shifting from natural gas and oil to more abundant coal or other fuels.

After two days, Senate liberals succeeded in paring down the tax credits offered by the Senate Finance Committe and its chairman, Sen. Russell Long, D-La.

The vote was 72 to 1.

Instead of a 40 per cent tax credit for businesses and other institutions which convert from scarce sources of energy, the Senate voted a 15 per cent credit.

It would cut the value of the Finance Committee bill by about $20 billion.

The Senate then adjourned but planned to return today for a fifth day of debate on the energy tax credit bill.

Earlier, the Senate rejected a move by conservative Republicans and Democratic liberals to kill the bill outright.

Senate Majority Leader Robert Byrd said he hopes to complete action on the tax portion of the energy plan today.

The rest of the package is under consideration by a House-Senate conference commitee which deadlocked Friday over whether to ban fuel-inefficient cars beginning in 1980.

Because of the impasse, the conference committee, which is working on the non-tax aspects of President Carter's energy program, temporarily suspended its efforts to produce a compromise national energy bill.

Some members of the House-Senate conference committee indicated the issue could break up the panel.

The Senate, meanwhile, headed off an attempt to kill the energy package by rejecting on a 51-to-30 vote to send a $49 billion package of energy tax credits back to committee.

L.V. citizens aid in nabbing 2 armed robbery suspects

By CONRAD CASLER
PB Staff Writer

Reporting by residents to police of two suspicious men cruising La Verne apartment carports was credited by La Verne police Friday for the arrest of a San Francisco man wanted there for armed robbery, burglary and assault with a deadly weapon.

La Verne officers said tips by residents late Thursday night resulted in dispatching Officers Ken Swank and Chris Sullivan in the area to investigate the prowling. About the time they arrived, two men leaped out of shadows in an alley and demanded the purse of Margaret Dilzer, 27, an apartment resident in the 3000 block of Knollwood Drive.

She screamed and ran toward her apartment, officers said. Her screams attracted another apartment resident who opened his door and scared off the would-be victim's pursuers. As the pair fled in their car with lights turned off, Swank spotted them and chased them a short distance before stopping their auto.

Following booking at La Verne headquarters for attempted robbery, a routine check of the suspects turned up information that one of them, Nathan Ellis, 27, of San Francisco was wanted in that city and was under a $50,000 warrant.

Both men were turned over to the Sheriff's Office to await charges.

La Verne officers said there was no way they would have caught the suspects if alert citizens had not called the department to report suspicious men in the area which resulted in two officers being nearby when the attempted robbery occurred.

Police said the robber became contrite during the robbery and began crying when he saw the frightened older woman clutching her rosary beads. He promised not to hurt them, then fled, officers said.

A warrant for Ellis' arrest was issued shortly after the robbery in San Francisco.

Schmidt denounces 'scourge of international terrorism'

HELMUT SCHMIDT

LONDON (AP) — Chancellor Helmut Schmidt of West Germany said Friday the nations of the world must make a common effort "to overcome the scourge of international terrorism."

Schmidt, heavily guarded by German and British security men, spoke to an audience of 500 persons at the Institute for Strategic Studies. All the guests, including ambassadors, British peers and top Foreign Office diplomats, had to submit to a body search for weapons.

Schmidt told them, "Nobody, anywhere in the world, can any longer make light of terrorist violence as the work of people who have been led astray by an allegedly political motive, and on top of that give them refuge."

He said West Germany recently became "a focal point" of the issue when German commandos raided a hijacked Lufthansa airliner Oct. 18 in Mogadishu, Somalia, freeing the 86 hostages and killing three of the four hijackers. The hijackers had demanded the release of convicted West German terrorists, three of whom died in their cells hours after the commando operation.

Salesman with 8th grade education did surgeries to aid doctors: report

NEW YORK (AP) — A state legislator said Friday that a medical supply salesman with only a grammar school education had performed surgery "to bail out" doctors who were unable to complete operations.

Assemblyman Allan G. Hevesi, D-Queens, chairman of the health committee, said the salesman had participated in surgical implants of prosthetic devices on at least 12 occasions in at least three hospitals.

He would not name the salesman or the hospitals, but he said doctors, nurses and at least one patient have been subpoenaed before a public hearing of the health committee on Nov. 10.

The New York Post said sources told it one salesman drilled into a patient's skull as part of an operation to remove bone casing that was putting pressure on the patient's brain.

"To have a person with an eight-year grammar school education as part of an operating team may very well involve criminal liability and in my judgment involves an intolerable abuse of medical practice," Hevesi said.

Exam shows body could not be Hoffa

NEW YORK (AP) — The body found in the Pennsylvania woods is not that of missing Teamsters boss Jimmy Hoffa, FBI agents in Detroit said today.

An FBI spokesman said the Detroit bureau had received word from FBI agents in New York that a forensic examination had determined the body could not be that of the onetime union leader, who disappeared in the summer of 1975 and has long been believed by the FBI have been murdered.

A formal announcement of the finding was scheduled for a news conference in New York, and FBI spokesman said.

Medical examiners from two states had checked dental records to determine if the skeleton found in thick underbrush was Hoffa's.

The skeleton, with expensive gold dental work that authorities believed might match that of Hoffa, was found on Monday by a hunter near Honesdale, Pa.

Robert Jennings, coroner of Wayne County, where Honesdale is located, said he had talked Thursday night with James P. Hoffa, son of the union boss who disappeared in the summer of 1975 as he was mounting a drive to regain control of the Teamsters.

"He was very excited when he heard the age, height and hair color" of the skeleton, Jennings said.

Valley man crushed by skip loader

Chino feed mill employee Vern Dacus, 62, was crushed to death by a skip loader he was operating Friday afternoon, Chino firemen said.

Other employees found Dacus' body wedged under a slowly rotating tire of the multi-ton vehicle which had lurched forward and was stopped by a pile of feed sacks, firemen said.

Investigators theorize Dacus was climbing back into the cab when somehow the loader lurched forward knocking him off of and under a large tire. Firemen said Dacus possibly could have been under the vehicle as long as 15 minutes before he was discovered at Chino Feed and Fuel, 13320 Central Ave.

Dacus, of 12488 S. Fern Ave., Ontario, is survived by a son in Arkansas, according to Griffith Mortuary which is handling funeral arrangements.

Youth seriously hurt in fall from auto

Falling from the trunk of a friend's small sedan critically injured Mark Duran, 16, in Claremont Friday afternoon, police said.

Duran, of 3904 Sumner Ave., Claremont, was reported in guarded condition at Kaiser Foundation Hospital in Fontana suffering a concussion and multiple bruises and brush burns.

Claremont officer Jim Gucciardo said Duran and a friend had just been let out from friend Brian McLaughlin's car at Vanderbilt Avenue and Butte Street. As McLaughlin, 16, of 198 Monterey Ave., started up and turned onto Butte Street, both boys jumped onto the trunk.

Several feet down the street, Duran fell off the trunk striking his head on the pavement, Officer Gucciardo said. County Fire Department crews gave Duran first aid at the scene before he was rushed to Pomona Valley Community Hospital and later transferred to Kaiser.

REGAINING THE LOST HOUR

Who said kittens can't tell time? This one, with an intense eye on the clock, wants everyone to know it will gain one hour's nap time when Daylight Savings Time officially ends in California at 2 a.m. Sunday. Clocks are to be moved back one hour. The hour lost last April when Californians moved their clocks ahead will be restored. This change makes Sunday a 25-hour day. It makes October the longest month of the year by one hour. Before you go to bed tonight, set your clocks back one hour and you will be on time for church Sunday.

'In certain African countries'

Pope Paul raps racial discrimination

VATICAN CITY (AP) — Pope Paul VI called racial discrimination "the bane of certain African countries" Friday and cautioned newly independent African nations against abusing their new-found power.

The 80-year-old pontiff spoke about Africa in an audience with 47 African bishops attending the World Synod of Bishops in Rome. The month-long meeting of 204 bishops and prelates ends Saturday.

"Every page of the Gospel invites us to stifle in ourselves the spirit of domination and privilege, to serve our neighbors like brothers and sisters, to make ourselves builders of justice and peace," Pope Paul told the African bishops.

"This contrasts with the painful situations of racial discrimination which are still the bane of certain African countries.

Pope Paul did not single out which countries were practicing racial discrimination. The United Nations has denounced the racial policies of two whiteruled African nations — South Africa and Rhodesia.

The pontiff's speech gave implicit approval to one of the key themes of the synod — the need to teach Christian doctrines to non-Western societies while respecting and preserving their unique cultures.

Trial of suspect in bombing that killed 4 set Nov. 14

BIRMINGHAM, Ala. (AP) — A Nov. 14 trial date was set Friday for a man charged with murdering four black girls in a 1963 church bombing that drew shocked national attention to the violence then being directed against followers of the Rev. Martin Luther King Jr.

Robert Edward Chambliss, 73, of Birmingham pleaded innocent to the charges connected with the Sept. 15, 1963, explosion at Sixteenth Street Baptist Church.

He remained free on $200,000 bond. Chambliss was in jail for nearly a month before raising the bond. He was indicted in September and is the first person to be charged in the case.

Circuit Judge Wallace Gibson earlier refused to throw out the four first-degree murder indictments against Chambliss after a motion from defense attorney Art Hanes Jr.

Hanes said the indictments should be quashed because they referred to Chambliss as "Dynamite Bob," a nickname he allegedly acquired soon after the bombing.

Glenn Collins of Birmingham, who testified that he once was an informer for the Birmingham Police Department and the FBI, said he often heard Chambliss' associates use the nickname.

He said he once heard J.B. Stoner call Chambliss that name to his face in the headquarters of the National States Rights Party.

Stoner, a Marietta, Ga., attorney, has been charged with setting off dynamite near an inhabited dwelling in the 1958 bombing of the Bethel Baptist Church in Birmingham.

He is fighting extradition to Alabama and is free on $10,000 bond.

Tax revision to offset S.S. hikes

WASHINGTON (AP) — President Carter indicated Friday that any substantial hikes in Social Security taxes likely will be offset as part of his promised income tax revision plan, lest they dampen the economy.

Carter discussed this prospect in responding to questions posed over a telephone hookup by editors and publishers attending a Houston convention of the National Newspaper Association.

The President was asked about the possible inflationary impact of major Social Security tax increase passed by the House on Thursday. "I believe that the major impact might be a dampening effect on our economy," he responded.

Carter noted that he had announced at a Thursday news conference a delay in submission of tax revision proposals, in part so final congressional action on Social Security legislation can be taken into account.

"I would guess that a major factor would be that if the Social Security tax increase is substantial after the Congress gets through, we'll try to compensate for this in the tax reform package," he added.

Mrs. Newton, slain at Cal Poly, eulogized; police release suspect

By MAE TATE
PB Staff Writer

"She converted time into worth and value that blossomed out into a great love for people."

Rev. Ivan Walks, minister at South Hills Presbyterian Church and pastor to Barbara Newton, captured the essence of Mrs. Newton in memorial services Friday at Cal Poly Pomona.

More than 500 persons from the university and communities stretching from Los Angeles to the West End of San Bernardino County crowded into the University Union to pay homage to Mrs. Newton.

Each seat was full and mourners spilled out into hallways.

Harold Bowen, minister of music at Monrovia's Second Baptist Church, sang "I Believe."

Meanwhile probe of the slaying is without leads today after release of suspect Donald Lee Phillips, 27, for lack of evidence.

Sheriff's homicide detectives said Phillips, who surrendered Wednesday after he learned he was sought for questioning concerning the slaying, was released late Friday night.

Phillips was described as a former boyfriend of Mrs. Newton. He was aquitted in 1973 of the slaying of Mrs. Newton's former husband, Elmo Newton, 25.

Mrs. Newton was slain Monday in her office by a gunman who walked in, fired a pistol and left. Memorial services were attended by students and faculty at Cal Poly's student union building Friday.

She was described as a friend and confidant, a lovely lady, " a devoted Christian and mother," an inspiration and "a beacon and guiding light." Friends spoke of her ready smile, her dignified manner, the quiet poise that put all at ease in her presence. She bought rhyme and reason to the hearts and purposes of everyone she encountered.

"We tend to grieve more when the young pass away. We feel the old person has lived a full life and the young person has been cut off," Rev. Walks said.

"The assessment of God is built on a higher plane. Assessment is made on value and quality. Barbara gave everything she had. Her love and faith couldn't be measured in terms of hours, days, years.

"She knew what she wanted. She lived a full life. She attended church last Sunday, greeted me at the door with a big smile, and said 'see you next week.'

"She gave without counting the cost," Rev. Walks concluded.

Angered by Jane Fonda's attack

Dow halts college grants

MOUNT PLEASANT, Mich. (AP) — Angered by a campus speech in which actress Jane Fonda attacked Dow Chemical U.S.A., the firm has cut off all grants and gifts to Central Michigan University pending talks on the use of Dow money for campus speakers.

University President Harold Abel confirmed Friday that he had received a letter from Dow President Paul Oreffice saying CMU will receive no further "aid of any" kind from the company giant until Dow and university officials meet to discuss the use of company grants.

Abel said he will have no comment on the matter.

The controversy erupted over an Oct. 10 speech in which Fonda said Dow was among "these firms (that) have learned to manipulate the tax laws to get away from paying their fair share."

Fonda mentioned Dow several more times in attacking what she called a "new group of rulers, tyrants" and others who she said are unknown to most Americans but who control their lives.

In his letter to Abel, Oreffice questioned the $3,500 paid to Fonda so she could "spread her venom against free enterprise" to university students.

Oreffice said the university had a right to hire any speakers it wanted, but said Dow also had the right to make certain its gifts were not used "to support people intent on the destruction of freedom."

Starving horses get food

MIAMI (AP) — Two tons of hay and oats were flown to the Bahamas on Friday to help feed more than 100 abandoned horses that are starving at an old race track.

The feed is part of a relief effort started when the condition of the horses was reported earlier this week.

Bonni Denmark, a North Palm Beach rancher, collected about $50 from coworkers and $50 from teacher David Smith and bought the hay at a reduced rate. Mackey International Airlines agreed to fly the hay to the Bahamas free of charge.

Jayne Mansfield's children object to estate accounting

LOS ANGELES (AP) — Four of actress Jayne Mansfield's children have filed objections to an accounting that indicates they will receive nothing from the late actress' $525,000 estate, their attorney said Friday.

The objections were contained in a petition for denial of extraordinary legal fees that was lodged last week with Superior Court Judge Neil Lake, said attorney Ludwig Gerber.

Lake told Gerber on Friday that probate cases are so backed up that the objections cannot be heard until March 14.

Miss Mansfield's four oldest children, Jayne Mansfield, 26; Miklos Hargitay, 18; Zoltan Mansfield, 17; and Mariska Mansfield, 13, told Lake on Sept. 29 that the accounting of their mother's estate by attorneys Bernard Cohen and Harvey Sitzer excluded any payment to them.

Miss Mansfield was killed in a car accident June 29, 1967, at the age of 34 near New Orleans. Her estate has been tied up for more than a decade because of indebtedness and a dispute between two former husbands.

Ontario firm helps town blow up its energy supply

A wind machine partly being built in Ontario will soon be supplying electricity to 50 homes in Clayton, N. M.

The Lockheed Aircraft Service Co., located at Ontario International Airport, is constructing two sets of 60-foot wind turbine generator blades which will be attached to a hub and generator to supply about 200 kilowatts of electrical power.

The project, funded by the Department of Energy's wind energy program, will supply between 5 and 15 percent of Clayton's total electrical power.

The blades and generator will be mounted on a movable platform atop a 100-foot steel truss tower. It will be capable of "tracking" or swinging in the wind.

Another feature of the blades is they are capable of "feathering" or turning at right angles into the wind to prevent damage to the hub and generator assemblies in high wind speeds.

Lockheed was selected to produce the blades because of its experience with the Cheyenne helicopter, said officials.

Clayton was selected for the installation based on a proposal submitted to the federal government.

The municipal utility company has agreed to monitor the generator and supply test data for a two-year period in exchange of receiving electricity supplied by the wind turbine.

POMONA'S HAUNTING

Two monsters who will welcome guests to the Pomona Public Library's Halloween haunted house Monday from 3 to 6 p.m. are shown getting their act together. More than 1,000 youngsters are expected to take advantage of the free spook show.

Pomona Library creates haunting experience

The Pomona library, missed by hosts and goblins last Halloween, rill have open a haunted house Monday between 3 and 6 p.m.

The City Council decided in 1976 it had no money for witches and warlocks. And again this year, budget limitations forced library staff members to donate time to prepare the Halloween attraction which has drawn more than 1,000 youngsters in previous years.

The event is sponsored by Friends of the Pomona Public Library. Burger King will donate soft drinks to haunted house visitors. Other donors include Hughes Market, Alpha Beta and Stater Bros. markets.

As in previous years, the haunted house will be located in the audio visual department. But the design and scary surprises inside will be different from former years.

Those children 7 years and younger must be accompanied by adults.

In the spirit of the day, many library staff members will report to work in costumes.

Against city and police

$1.5 million in claims filed by family of slain Pomonan

By GEORGE MacLAREN
PB Staff Writer

Claims totaling nearly $1.5 million have been filed against the city of Pomona and members of the police department by the family of Rudy Raul Garcia who died in the city jail the night of June 12.

The Pomona City Council this week denied the claims upon recommendation of the city's insurance carrier.

The Garcia family has six months to bring suit.

The largest claim, for $772,939, was filed for Garcia's mother, Felipa, who asked for $270,000 for loss of future support, $200,000 for loss of Garcia's services, $300,000 for loss of his society and companionship, $972 for hospital and ambulance expenses, and $1,967 for funeral and burial expenses.

A claim of $637,939 was filed by Garcia's father, Trinidad, and claims for $40,000 each were made by Garcia's brothers, Jessie and Freddie, for physical and mental suffering.

The claims contend that during a routine check by Pomona police officers for a possible "double-parking" traffic violation, Garcia was handcuffed behind his back and subjected to excessive neck compression during the arrest procedure which resulted in asphyxia.

"Said act was negligently done in full view of and in close proximity to" both the Garcia brothers, the claims contend.

James I. Kono, special investigator for the office of Los Angeles County Coronor Thomas T. Noguchi, reported on July 11 that the death of Garcia, 23, in the Pomona city jail on June 12 was accidental, and was caused by the pressure of a policeman's arm against Garcia's throat which resulted in asphyxia or lack of oxygen.

Garcia collapsed and died in the Pomona jail after his arrest a few minutes earlier at Grand Avenue and Rebecca Street, police said.

Officers had gone to the area where a large party was in progress to check on complaints of double-parked cars.

They said that they stopped the car containing Garcia, who became "combative," and that he was subdued and arrested.

Kono said the coroner's conclusions were based on autopsy findings made by Dr. Manuel Breton and upon information gathered by Los Angeles County sheriff's homicide investigators.

Pomona Police Chief Richard Slaght had wanted an independent investigation into the incident and asked the sheriff's department to investigate.

Kono said the death had been determined to have been accidental because no malice had been found on the part of the officer who, according to the coroner's statement, was making a routine arrest.

Kono said the fact that both Garcia's heart and liver were enlarged and diseased may have made it difficult for the victim to survive the incident and therefore contributed to his death.

Taped books for blind are 'read' by thousands

By VONNE ROBERTSON
PB Staff Writer

The Recording for the Blind has reported an increase in volunteer hours, wider circulation of its taped books, and a $400,000 surplus.

Mrs. Marjorie Stoddard, chairman for the Claremont Unit of Recording for the Blind, presented an optimistic report at a program honoring volunteer readers and monitors held at McAlister Center in Claremont.

During the past year, 89,000 recorded books have been circulated to blind or handicapped persons, a 9.8 percent increase.

While volunteer hours at the 20 recording centers across the nation have increased during the past 12 months, she said the recorded books completed are about the same.

"This is because we are now recording more complicated technical books for students and this work requires increased time," the Claremont chairman explained.

She stressed that volunteers are constantly needed who can read the technical textbooks required by many blind students who use the service.

The national organization ended the year with a $400,000 surplus. This plus endowment income would support the organization's $2 million budget for a year's operation, according to the annual report.

Mrs. Stoddard said the new, striking annual report prepared by the staff will soon be distributed to volunteers and will be available to interested persons.

As a result of the improved financial status of the national organization, local units will receive some financial assistance with recording and operational costs, the chairman reported.

However, she added, the need for donations will continue. The Claremont unit is scheduled to start its annual funds appeal this month.

Eighty percent of the donations used to operate the recording studios are from individuals, statistics show.

The Claremont Unit of Recording for the Blind is located in McAlister Center on the campus of the Claremont Colleges. The studio is open each weekday and several evenings so that volunteers can record textbooks and other books requested by blind or disabled persons.

Additional information may be obtained by calling 624-4156.

For better communication

Montclair chamber recast

By MAE TATE
PB Staff Writer

Reorganization of the Montclair Chamber of Commerce has the incentive of increasing communication and involvement.

Jim Bookhout, chamber president, and Bob Keenan, office manager, recently detailed the new structure designed to stimulate participation of both the business community and area residents.

Bookhout stressed the importance of moving from the dormant stage the chamber held for several years in Montclair and into the arena of activity and commitment.

The motto for Bookhout's term as president is "The Montclair Chamber of Commerce Means Business." As president, Bookhout will provide the leadership but will spread responsibility among members of the executive committee who coordinate activities and duties of five major councils.

These councils — government affairs, community development, ways and means, chamber-community promotion and retail trade — are under the respective responsibilities of chamber executives Ken Wright, Lou Cassani, Eleanor Patterson, Don Knight and Marsha Holland.

The executives serve as liaisons between the president and council chairmen. The chairmen are Don Crawford, government affairs; Dennis Silletto, community development; Michael Zarzana, ways and means; Bill Aston, community-chamber promotion; and Art Parks, retail trade. Each council consists of more members working together to accomplish objectives.

The new structure, according to Keenan, "maximizes the productivity of the total organization." He added, "with a larger number of volunteers we hope to cut down on the number of hours contributed by a small core of volunteers.

Bookhout recalled that "in the past, it's been the same 10 or 12 people involved in every committee. There was a lot of overlap."

Bookhout stressed the need for all Montclair residents to realize the importance of community image.

In contrast, they complained last week, he has met repeatedly with Roman Catholic leaders who favor a constitutional amendment to prohibit abortion.

COUNTRY GOSPEL — The "United One," a country gospel group, will appear in concert Sunday at 2:30 p.m. at Crossroads Cathedral, Pomona. This group recently performed at the first conference on the Holy Spirit for Presbyterian ministers in Egypt and will return to Egypt early next year for another engagement.

Latter-day elder is stake speaker

Elder Royden G. Derrick, a member of the First Quorum of Seventy, of the Church of Jesus Christ of Latter-day Saints, will speak at the La Verne Stake Center.

Elder Derrick was named to the First Quorum of Seventy on Oct. 1, 1976. He has served as president of missions in England and Ireland. He earlier had been a counselor in the general presidency of the Sunday school.

After studying at the University of Utah and military service during World War II, Elder Derrick founded a company in Salt Lake City that grew to be the largest structural steel fabricator between Denver and the West Coast.

He served as a member of the University of Utah Board of Regents for eight years, six years as chairman. He also has been deeply involved in international goodwill organizations, with emphasis on assistance to the country of Bolivia.

Elder Derrick and his wife, Allie, have a daughter and three sons.

Missionary work will be a theme of the conference. The public is invited to attend the Sunday sessions at 9 a.m. and noon. Stake President Robert L. McCook III will conduct. A special meeting will be held today at 7 p.m.

Lutherans mark 400th Concord aniversary

The commemoration of the 400th anniversary of the Formula of Concord will be observed in the San Gabriel-Pomona Valley Lutheran Reformation Service at the First Lutheran Church in Pomona Sunday at 4 p.m.

Guest preacher will be the Rev. Frank Wilcox, president of the California Lutheran Bible School. The Rev. Edwin Krueger, pastor of Peace Lutheran Church in Pomona will assist as liturgist. Serving as lectors will be the Rev. Norbert Boer, pastor of First Lutheran Church in Pomona and the Rev. Ronald Kudick, pastor of St. Luke's Lutheran Church in Claremont.

A mass choir of singers from area Lutheran churches will sing Praetorius' "Magnificat" and stanzas of "Built on the Rock" and "The Church Doth Stand." The choir will be under the direction of the Rev. Stephen Kelly, pastor of Redeemer Lutheran Church in Rowland Heights. Paul Schuricht, organist at Christ the King Lutheran Church in Walnut, will serve as organist.

The Formula of Concord (1577-1977) is the final document in the "Book of Concord," the collection of historical documents which describe and define the Lutheran understanding of the Biblical gospel. It was formulated by theologians to settle controversies, thereby producing harmony and concord among the churches. For 400 years, it has served the Lutheran Church as a guide to correct teaching concerning a number of difficult questions.

PROFICIENT PASSER

Damien quarterback Dan Marconi prepares to fire a pass with running back Steve Campbell prepared to protect him. Marconi threw two TDs in Damien's 23-7 victory at Chino.

Spartans triumph

By MIKE BROSSART
PB Staff Writer

Suspense had been building for weeks but the climax came early in Friday night's football game between Damien High and host Chino.

Spartan quarterback Dan Marconi and flanker John Rayburn teamed up for a 79-yard touchdown pass on the game's second play from scrimmage. Damien followed that with a quick safety and led 16-0 after a quarter and 23-0 at the half before winning the key San Antonio League confrontation, 23-7.

That victory gives the Spartans sole possession of first place in the SAL with two weeks to go. Damien has won all five of its league games and is 6-1 on the year.

Chino dropped into a three-way tie for second place with Claremont and Ganesha, one game behind the Spartans. The loss was the Cowboys' first in five league outings and second in seven games overall.

Damien must still play Claremont and Ganesha the next two weeks.

Spartan coach Dick Larson said after the game that he had been planning ahead to use the bomb on the second down of his team's first possession.

"We worked on that play all week," he said. "We've used the play before, but not quite like that — with Rayburn lining up in the backfield" instead of as a wide receiver.

Adding to Chino's frustration after that long Damien TD, the Cowboys were hit with a safety on their first series.

A high snap on fourth down caused punter Richard Perez to drop the ball in his own end zone and Damien's Ray Gonzales, Leonard Luiten and Pete Huysman quickly swarmed upon him.

After the Cowboys kicked to the Spartans, Marconi led an eight-play, 57-yard scoring march that gave the visitors a commanding 16-0 lead with less than six minutes gone. Marconi completed all four of his passes on that drive and Doug Paul ran the ball in from two inches out to score.

The Spartans scored their final touchdown just 28 seconds before the half on a four-yard pass from Marconi to Mike Escalante. That was the only complete pass, however, of a time-consuming 15-play drive that covered 71 yards. Paul ran for 51 of those yards on eight carries.

At the half, the Spartans had 262 total offensive yards and 10 first downs to Chino's 35 yards and no first downs. The Cowboys came back to play better than the Spartans in the second half, but it was too little too late. At the game's conclusion, Damien had 329 yards on 59 plays from scrimmage and Chino had 195 yards on 44 plays.

Bertschinger scored Chino's only TD on an eight-yard run in the third quarter. The score capped an impressive 11-play, 87 yard drive.

Marconi finished with 204 yards passing (180 in the first half) on 12 completions in 21 attempts.

Paul led all rushers with 95 yards on 25 carries while Chino's Bill Young picked up 68 yards on 10 carries and Mike Bertschinger added 59 on 13.

Paul was aided by some good-sized holes. "We have a good offensive line," said Larson. "We're very proud of them." Center Dan Donahoe, guards Huysman and Bill O'Neill, tackles Charles Vess and John Hernandez and tight end Mark Leavans make up that unit.

Gladiators upend Walnut

By RAY NELSON
PB Correspondent

Carlos Martin's 30-yard field goal with 28 seconds remaining gave Gladstone High a 26-25 come-from-behind victory over Walnut Friday night at Citrus Stadium and enabled the Gladiators to gain sole possession of first place in the Hacienda League.

The upset triumph provided Gladstone with a 5-0 league record and moved it one game ahead of the Mustangs and 1½ ahead of idle Royal Oak.

"I'm unbelievably happy," said an elated Gladiator coach, Roy Rhino. "We've gone from the valley to the mountain."

Rhino was referring to the fact that his team had gone from its 1-8 mark of 1976 to its present standing. In dealing Walnut its initial loss of the season, the Gladiators downed the top-ranked team in the Southeastern Conference and marked the first time Gladstone had managed to score a point against the Mustangs in four years.

Walnut exploded early, grabbing a 13-0 advantage midway through the first quarter.

Taking the opening kickoff all the way back to the Gladstone 35-yard line, the Mustangs marched for their first score in four plays. John Vallejo, replacing the injured Dave Woronkiewicz, took a Steve Green handoff and raced 11 yards for a first down.

Green passed for 10 and 12 yards on the next two plays before Vallejo capped the drive by taking it over from the two.

It was the first of three touchdowns for Vallejo, who ammassed 102 yards on 21 carries.

Walnut scored their second touchdown when Green hit Brad Hurst at the goal line for a 28-yard scoring toss. However, after that, the Gladiators shut off the Walnut aerial attack while battling back.

Giving the senior quarterback the short stuff after the first quarter, Gladstone's rush contained Green, who completed 10 of 20 for 129 yards. Green failed to complete any of three attempts in the second half, which was dominated by Gladstone's ball-control offense.

Gladstone running back Don Sanderlin led all rushers, compiling 137 yards on 23 carries and scored two TDs covering two and 22 yards.

Chaffey breaks 'curse'

By CHARLES BENTLEY
PB Correspondent

Halloween weekend, traditionally a time for curses, bad luck and the Chaffey-Redlands High School football game. And, as usual, this Citrus Belt League match-up held the key to the CBL championship. The Tigers combined Terrier bad luck and a tough defense to beat Redlands 7-3.

Since 1960, the Terriers have held a curse over the Tigers, one that has meant victory for the Ontario school only once every four years. And during the interim three seasons, the Terriers usually racked the Tigers for resounding defeats and control of the League title.

Following a 28-7 victory over the Terriers in 1976, it looked as if Chaffey was in for the same as the Terriers came into the Friday night contest 4-0 in league play and 5-1 overall.

But from the start of the game, Head Coach Ray Stark's crew stood tough and showed that the host Tigers were not about to roll over and play dead. An early interception by defensive back Todd Logue set the tone for the evening, as Chaffey would intercept five Gene Larson passes and recover one Terrier fumble.

The turning point came at 6:25 in the final stanza when Senior Dan Olivera nabbed a Terrier pass on the Redlands 35-yard line and returned it to the Terrier 27-yard line. Ten plays later the Tigers scored the winning touchdown on a fourth down pass from Koustik to Senior Stan McDonald for 12 yards and the score.

Senior Gregg Shinn led the Chaffey defensive squad with two interceptions and a fumble recovery.

Ganesha stages miracle finish

By RAY PLUTKO
PB Staff Writer

It was more like the fable of the "Sleeping Giant," but this one woke up just in time.

Coach Garry Norvell and his Ganesha High club remained in the thick of the race for the San Antonio League title Friday night, but it required a story-book finish as the Giants scored in the final four seconds en route to a 15-12 win over a stunned Garey contingent.

Cross-town rival Garey appeared to have an upset under lock and key — including the ball with a first down and 1:36 remaining.

However, the Vikings failed to eat up the remaining time on six downs (two penalties) and then gambled on the "official" fourth down.

Punter Larry Reyes took the snap, but tucked the ball under his right arm on a fake punt — only to be downed at the Vikes'; 12-yard line.

Ganesha managed to get off one running play for a scant two yards before Floyd Williams was pushed out of bounds. Then with :15 showing, quarterback Ron Hughes appeared to be headed for a "sack," but scrambled and found Craig Parm in the right corner for the winning TD.

Just four minutes earlier, Garey had driven 71 yards in 15 plays for a 12-7 lead, with Carey Shepard hitting David Forte on a fourth and goal from the four.

Thus, Ganesha emerges with a 4-1 SAL mark and one of its' remaining contests is against the likes of unbeaten Damien. As for Coach Lawson Bush and his Vikings, the setback virtually dispelled any faint playoff hopes in the Southeastern Conference.

Ganesha scored the game's initial TD on an 11-yard pass from Hughes to James Murdock, but the Vikings drew to within one in quick fashion.

Defensive back Jerome Washington picked off a Hughes' aerial and scampered 64 yards down the north sideline for a touchdown — that play coming 12 seconds before intermission.

Ganesha's Bennie Gooden was the game's top ball carrier with 69-net yards in 16 attempts, while Morris Cole accounted for 58 in 11 carries to pace the Vikings.

Not to be overlooked were top defensive efforts by Garey's Doug Brissette, Ray Muro, Fernie Lavez and Duncan Tuitau. Countering those efforts for the Giants were Kevin Jones, Willie Mosley, Mike Brown and Parm.

Wolfpack defense flawless

By MARK GRIP
PB Correspondent

The Valley's best prep defensive team, Claremont High, was in top form in a 21-0 shutout of Upland Friday night at Upland High.

The win keeps the Wolfpack in a tie for second place in the San Antonio League with Chino and Ganesha. The three runner-ups own 4-1 league records behind leader Damien at 5-0.

Claremont (5-2 overall) will face its biggest test of the year next Friday when it hosts Damien at Citrus College.

The hard-hitting Pack defense has now yielded just 39 points and went into the game with a 6.5 average.

Upland (0-5, 1-6) threatened to blemish the shutout only once. In the second quarter the Highlanders drove to the Claremont 20 yard line where Jon Kotez was short on a 37-yard field goal attempt.

The Wolfpack defense allowed Upland to cross midfield only one other time. That penetration was to the Pack 45.

The game was a scoreless tie until Claremont scored with 35 seconds left in the first half. Halfback Kevin Britton busted in from the seven with Doug Jollymour adding the extra point.

Claremont put the game into its pocket in the third period with two touchdowns on passes from quarterback Mike Pirolo to Scott Kegans.

Pirolo's first strike was a 41-yard bomb at the 7:13 mark. The junior signal caller then hit Kegans on a roll-out pass for a 10-yard score. Jollymour added both PATs.

Jollymour missed a 41-yard field goal attempt with 7:50 to play, hitting the ball wide to the right.

Pirolo led the 'Pack offense, connecting on 10 of 15 passes for 130 yards and two TDs. Pirolo's prime target was Kegans who he hit 7 times for a total of 97 yards.

Upland could muster only 101 yards total offense.

Montclair extends Devils' losing skid

By BRENT SHYER
PB Correspondent

It appears that not even one team in the San Antonio League is willing to play the role of the "devil's advocate."

Montclair High (2-5) proved to be too much for the lowly Pomona Red Devils, Friday night at Mount San Antonio College, as the Cavaliers blanked PHS, 20-0.

The loss for Pomona was its 16th in a row. The Devils are 0-7 overall this season.

After Harold Harrington recovered a Devils' fumble on Pomona's 35 yard line, the Cavs were able to move the ball within Kent Gurney's field goal range, as he connected on a 34-yarder five minutes into the game.

Brett Forbes blocked a punt for Montclair, giving the visitors the ball on the Pomona 5. On the first play from scrimmage, Gurney darted into the end zone for the touchdown. Kent kicked the first of his two extra points to make it 10-0.

Malcolm Curtis recovered a fumble for the Cavs in the third quarter, which allowed Gurney to kick a 25-yard field goal.

Meanwhile, a Homecoming crowd rooting for the Devils had little to cheer about.

Pomona had 63 yards passing and 54 yards rushing. The Cavs gained 51 yards via the air, and 113 yards on the ground.

Gurney and Scott Avery paced the Cavs with 46 yards apiece.

Steve Pace snared a 2-yard touchdown toss from Montclair quarterback Steve Jetton for the final score.

Montclair's Terry Shanks suffered a broken right leg in the game on a play away from the ball.

Knights maintain Olympic advantage

By KEITH LAIR
PB Correspondent

Ontario Christian High held off a late Brethren rally to dispose of the visiting Warriors 27-21 in an Olympic League contest Friday night.

Brethren marched the ball into scoring position only to be stopped by a fumble with only 2:11 remaining in the game.

The Warriors took an early 7-0 lead on the first of two Knight fumbles. Warrior quarterback Gary Beverly nailed Josh Randall on a 36-yard pass for the score.

Ontario Christian came right back to score on the next series of downs, when the Knights marched the ball 74 yards in eight plays for the TD. Bennett Slegers took a Joe De Hoog pass 10 yards out for the score. Pete Van Ginkle's PAT kick sailed wide, to keep the Warriors on top 7-6.

Brethren took a 14-6 lead later in the first half as Andre Pinesett romped into the end zone from five yards out. Randall added the extra point.

The Knights took charge in the third quarter by racking up 15 points and a 21-14 lead. De Hoog found Adrian Kroes in the end zone for a score, and De Hoog then crossed the goal line for a two-point PAT, which tied the score at 14.

A Brethren fumble set up the Knights next score. De Hoog came up with the fumble at the Warrior 42-yard line. He put the Knights in scoring position on a 31-yard run, and scored the touchdown from the 7-yard line on a quarterback option.

Behind 21-14, Brethren moved the ball to the Knight one on several long runs by Pinesett. But the Knight defense held the Warriors at that spot on fourth down.

Ontario Christian carried the ball out to the 6-yard line, where De Hoog lateralled the ball to Gerrit Bosman. The ball sailed over Bosman's head, and Warrior defender Lloyd Tate pounced on the ball in the end zone for the touchdown. The Knights added the final score, when David Hooyenga broke off tackle and raced 75-yards to the Warrior four. The tally again came on a pass from De Hoog, this time to Roger Sybesma from the two yard line. Brethren's final drive was stopped when Rodney De Jager recovered a Pinesett fumble in Knight territory.

Hooyenga led the Knights in rushing with 92 yards in six carries. De Hoog gained 72 yards in 16 carries. The Warriors were led by Pinesett, who picked up 102 yards in 25 carries.

The Knights, 5-0 league and 6-1 overall, attempt to clinch at least a tie for the Olympic League title, when they meet L.A. Baptist in an afternoon match at Baptist next Saturday

Hawks hold off Lakers

ATLANTA (AP) — Ollie and Eddie Johnson popped in 16 points apiece and a clinging Atlanta defense held Los Angeles scoreless for a six-minute stretch Friday night to lead the Hawks to a 102-95 National Basketball Association victory over the Lakers.

Center James Edwards, taking the place of injured Kareem Abdul-Jabbar, was high scorer for the Lakers with 32 points.

The Hawks, 3-1, romped to a 47-28 lead late in the second quarter as their defense stopped Los Angeles cold from 10:57 to 4:46 of that period.

A Laker rally, led by guard Earl Tatum and forward Jamaal Wilkes with six points each, narrowed it to a 53-44 Atlanta lead at halftime.

A jump shot by former Hawk Lou Hudson, whose uniform No. 23 was retired by the Hawks at the game, tied it at 75-75 near the end of the third quarter.

But two free throws by Atlanta's Ron Behagen made it 77-75 as the quarter ended, and the Hawks pulled away during the final period.

The loss dropped the Lakers to 2-4

Hudson played 11 years for the Hawks before being traded to the Lakers before the current season for Ollie Johnson, who switched teams twice during the off-season. He came to Los Angeles last spring in a trade for Lucius Allen.

The 32 points was a career-high for Edwards, playing in only his sixth game as a professional. The 7-footer who attended the University of Washington was a third round draft choice of the Lakers last spring.

Three rookies contributed to the Hawks' victory — Eddie Johnson, Wayne Rollins and former Eastern Leaguer Charlie Criss.

Tatum finished the game with 19 points. Wilkes added 14 and Hudson and Kermit Washington scored 10 each for Los Angeles.

Behagen contributed 16 points for the Hawks. John Drew, Steve Hawes and Ken Charles added 11 points apiece for Atlanta.

A crowd of 9,214, including Hawks' owner Ted Turner, watched the game.

The Lakers play at San Antonio against the Spurs tonight.

Braves blank Bonita

By PAUL CLICK
PB Correspondent

Alta Loma ruined Bonita High's Homecoming Friday night with a 27-0 triumph over the host Bearcats.

But the score was a bit misleading as Bonita trailed only 7-0 entering the fourth stanza of play. The scoreboard showed no points for both schools at halftime.

An 87-yard touchdown run by Alta Loma running back Stuart Charleston stunned the Bonita players as he outran the Bearcat defense after rambling through the middle of Bonita's defensive alignment. Mark Anderson set up the Braves' final two TD's with interceptions of Ralph Ortega passes.

Bonita's Bob Clark ran 60 yards for an apparent touchdown early in the contest but the referee covering the play ruled he had stepped out of bounds at the 40-yard line. Instead of a 60-yard TD, Bonita was handed the ball at the 40. They were finally forced to punt.

Clark ended the night with 66 yards as Bonita wound up with 89 yards on the ground

The Bearcats lost another golden opportunity to score in the fourth quarter thanks to 20 yards of penalties after having a first down situation at the 14-yard line. Ortega's desperation on a fourth and 16 situation was a yard short. It was Bonita's last look at the contest.

Stags, 'Hens clash

By DON BRADLEY
PB Staff Writer

Either Claremont-Mudd or Pomona-Pitzer should end their drought tonight. The winless teams clash at Pomona College's Alumni Field at 7:30 p.m.

La Verne (0-1 in the conference and 2-3 overall) is at Whittier (1-0 and 5-1) tonight and defending champion Redlands (1-0 and 2-3) is at Occidental in another night game.

C-M and P-P present an interesting contrast. The Stags have no passing game and the Sagehens have difficulty running.

The Stags are averaging only 54 yards a game in the air and 139 on the ground for a conference-last of 193 yards per game.

The Sagehens, fifth in total offense, are averaging slightly over 151 yards passing and 76.5 yards rushing for a 228 total per game.

The two are fifth and sixth in defense. The Stags have allowed an average of 322 yards a game while the hapless 'Hens have given up an average of 443 yards a game.

Over the years, Walt Ambord at Pomona-Pitzer has always had a good passing game. He gets quarterbacks and receivers. C-M's John Zinda usually has a good running game and he has linemen (something Ambord always lacks) and running backs.

There is no better argument than that for combining the two. Together, they make one whole team.

Last year Claremont-Mudd walloped Pomona-Pitzer, 69-35, and defeated Occidental, 31-24, for its only league wins.

Pomona-Pitzer hasn't won a conference game since 1974 when the Sagehens upset the Stags, 33-22. Since then they have dropped 13 straight SCIAC games.

In fact, the 'Hens have won only two conference games out of 26 in the last five years.

"The team that makes the fewest mistakes will probably win this one," said Ambord. "We don't do well against the run so we have to find some way to stop Jim Reed."

Reed is third among conference ground gainers and has the highest average, 4.8 yards per carry.

"This is always a tough game for us," commented Zinda. "We're going into it without a passing attack. They have the ability to throw and score the quick touchdown."

The Stags have allowed an average of only 107 yards a game on the ground to their opponents. But they have given up an average of 190 yards per contest in the air.

At Whittier, La Verne will be facing a team that has allowed its opponents only 38 yards a game rushing. Brad Frick and Ben Morrow, both among the top five runners in the league, will be tested.

La Verne expects to have quarterback Mark Beaty back although he won't be 100 percent.

Sports briefs

O.J. doubtful starter

BUFFALO (AP) — O.J. Simpson, the Buffalo Bills' star running back, was listed Friday as a questionable starter for Sunday's National Football League game against the Seattle Seahawks.

"Examinations conducted Thursday on O.J. Simpson's left knee reveal that a derangement of the knee has bothered him for the past several weeks. Plans to play in Seattle on Sunday are based on the condition of his knee ... at game time," the Bills said in a prepared statement.

Batista, Zarate meet tonight

LOS ANGELES (AP) — Danilo Batista's first fight outside of Brazil figures to be the toughest bout of his career, by far.

The 25-year-old Brazilian, unbeaten in 26 outings, takes on Carlos Zarate of Mexico tonight for the World Boxing Council bantamweight championship.

It will be the fourth title defense for Zarate, who brings a 47-0 record with 46 knockouts into the 15-round fight at the Sports Arena that was originally scheduled Oct. 8. The bout was postponed for three weeks because of a bruised knuckle on the left hand suffered by the champion.

A's to New Orleans?

NEW ORLEANS (AP) — A group in New Orleans has promised to put up almost half of the $12 million purchase price of the Oakland Athletics' major league baseball team, a New Orleans newspaper reported Friday.

The report, in the New Orleans State-Item, quoted a source close to negotiations with A's owner Charles Finley as saying the $5.4 million promised by the group is more than enough to finance the down payment for the ailing American League franchise.

Joe Louis flown to Houston

LAS VEGAS (AP) — Former heavyweight boxing champion Joe Louis, hospitalized last week after being stricken with chest pains at his home, was to be flown to Houston Saturday to be treated by world-famed heart surgeon Dr. Michael DeBakey.

Officials at Sunrise Medical Center, where Louis spent six days in the coronary care unit, said Louis' trip to Houston was delayed for one day because of the unavailability of an air ambulance.

Ontario romps over H.L. foe

Albert Newman sparked Ontario High to a 40-0 romp over Sierra Vista Friday night at Sierra Vista.

The senior halfback carried the ball 17 times, gained 145 yards, scored two touchdowns running and completed one of two passes for eight yards to Jon Thomas for another TD.

In other games, Webb (3-0) rolled to a 37-20 victory over Orange Lutheran; La Verne Lutheran defeated Sherman, 14-6 and Calvary Baptist beat Bethel Christian, 37-14.

At Sierra Vista, the Jaguars outrushed the Dons, 342 to 33 and outpassed them, 129 to 86.

Surprisingly, neither team could move the ball at the outset. They exchanged fumbles before Ontario got rolling on its third possession.

Quarterback Sonny Medina drove the Jags 71 yards in six plays for the first score.

With a first down at the Sierra Vista 33-yard line, Newman took a pitchout to the right and went all the way in to score.

Newman also starred on defense, intercepting two passes.

The most spectacular run of the night came with less than a minute to play. After Sierra Vista had moved from its own 40 to the Ontario six, the drive died and the Jaguars took over.

Rodney Davis, a junior just up from the jayvees on his only carry of the game, sprinted 94 yards for the last touchdown of the game with 39 seconds left.

Medina finished with five completions in 15 attempts for 71 yards and a TD. Paul Bernard carried 15 times, netted 71 yards and one TD.

Ontario, 3-2 in league and 5-2 overall, hosts Bonita Thursday night at Chaffey High.

At Webb, tailback Leon Harrison scored three touchdowns while gaining 191 yards on 18 carries. Harrison also had a 74-yard TD called back because of a clip.

Craig Downey of La Verne Lutheran set a school record with 147 yards on 19 carries as the Trojans won their first game of the season. Downey also had seven tackles as a middle linebacker.

Robert Turner led Calvary Baptist with 108 yards in 14 carries in its win over Bethel Christian.

JC gridders hope for home advantage

By JIM McCONNELL
PB Staff Writer

The valley's junior college football squads will be hoping the home-field edge holds up tonight as all three are slated to meet conference foes on their own turf.

Mt. San Antonio will host Cerritos in a key South Coast Conference tilt, while over in the Mission Conference Citrus will try to stay atop of the heap with a win over Southwestern and Chaffey will try to stay in the running with a victory over San Bernardino Valley.

All of those games will start at 7:30 p.m.

MSAC needs a win tonight vs. a talented Cerritos team to stay with SCC front-runner Fullerton. The Mounties have won their last two games and appear to be putting it together for a stretch run at the SCC flag.

"Cerritos has a pro-type defense and their offense is really complicated," notes MSAC coach Mal Eaton. "They run a lot of trap plays and sprintouts around the ends. They have a good passing game and an outstanding runner in Jim Copeland."

Copeland is third in the conference in rushing with 471 yards on 73 carries, and is also the league's third leading all-purpose runner.

Falcon quarterback Kevin Hamilton has completed 64 of 109 passes for 629 yards. His favorite target is Marc Mendez, who has 26 receptions good for 297 yards.

"We'll have to be consistent and we can't afford any turnovers against Cerritos," Eaton said. "They are a fine team and it's going to take a supreme effort by us to beat them."

Cerritos mentor Ernie Johnson had some kind words for the Mounties as well.

"We respect this team," Johnson said. "They proved they had a fine team when they met Pasadena City this year, they should have won that game."

Citrus figures to have an easy time of it against Southwestern (1-5) tonight, but Owl coach John Strycula isn't counting on it.

"Southwestern has given us as much trouble as anyone in our league," Strycula claims. "We can't afford to play a bad game against them."

Paramount in Strycula's mind when he made those comments is the fact that the Apaches were the only M.C. team to dent the Owls' record last year, holding Citrus to a 14-14 tie.

Southwestern has a strong rushing game, but its passing attack is suspect.

The same might be said for Citrus if quarterback Ken Eriksen isn't healthy. The frosh from Glendora injured a knee last week in the Owls' big win over Chaffey and could be held out of tonight's game.

San Dimas to visit H.L. foe

San Dimas High will visit Royal Oak at Charter Oak High and Don Lugo will host Nelles at Chino High in tonight's prep football action.

The Saints (1-3 in Hacienda League play, 1-5 on the season) would get a big boost from from set win over the Romans (3-1, 3-3), but Don Lugo's Conquistadores probably have even more at stake tonight.

Nelles (4-1) and Don Lugo (3-1-1) are currently the two leading contenders for a possible free lance berth in the Desert-Mountain playoffs. Capistrano Valley (3-2) would be next in line but Nelles upset Capistrano Valley, 22-19, last week.

Thus a victory for the Conquistadores would put them in a strong playoff posture. If Don Lugo wins this game and its last two, it would almost surely be entered in postseason play, an impressive feat for a school that has only sophomores and freshmen.

Unfortunately, head coach John Monger has lost defensive captain Steve Moore for the season because of a cracked scapula he suffered last week. Three other starters — Evan Matthews, Scott Medeiros and Manuel Villalobos — missed some practice this week with injuries.

Nelles is led by quarterback George Hernandez and wingback Steve Cabrera, a Pomona resident. Upland resident Jay Gomez also plays for Nelles, a private school in Whittier.

If Eriksen can't play, Bruce Johnson will take over the controls. Johnson, from Pasadena, is a fine runner but nowhere near the passer Eriksen is.

Chaffey, facing a "must-win" situation, will entertain SBVC tonight. The Indians have had trouble getting on the scoreboard in conference play. SBVC has only one score in three M.C. outings, a touchdown in last week's loss to Riverside CC.

However, the Indian defense ranks with the best in the conference and the Panthers will have to move the ball better than they did against Citrus to avert an upset.

SBVC's offense, what there has been of it, has been led by sophomore backs Joe Hillstock and Dale Bouman. Hillstock, the former Claremont High star, has rushed for 246 yards in six games, while Bouman has amassed 277 yards. Neither, however, have scored a TD this year.

Earl Anthony ups earnings

AKRON, Ohio (AP) — Earl Anthony returned to action last weekend after a lengthy pause and boosted his winnings by $1,500 — but remained in third place in the Professional Bowlers Association money ranks.

Mark Roth of New York, No. 1 on the cash ladder with $89,083, earned $435 by rolling 42nd to Anthony's eighth-place finish in the open tourney at Battle Creek, Mich., that was won by Mike Berlin of Muscatine, Iowa. The $6,000 first prize raised Berlin's earnings to $48,215.

Tommy Hudson of Akron, who finished out of the money at Battle Creek, remained second this week with $80,358.

Poly tries freshman QB

By BILL LANGLEY
PB Sports Editor

Cal Poly will turn to a freshman quarterback this evening in hopes of recording the first football victory of the season.

Gordy Bohannon, who was a big winner during his prep career at South Pasadena High, will direct the sputtering Poly offense in a 7:30 p.m. kickoff at Kellogg Field against Cal State Northridge (4-2).

"Bohannon has looked excellent in practice this week," reports Poly Coach Jim Jones, frustrated by the Broncos' 0-5 start this campaign.

"I really think Bohannon is going to do the job for us this week," Jones added. "Our offense is capable of playing its best game of the season. Bohannon does those intangible things which get a team going. He has a real consistent attitude and reflects a positive approach for the entire team."

Jones is anxious for a good performance tonight as Poly begins the second half of the season.

"I've told my players that we just have to make the best of our current situation," he said. "That means 5-5. That's what we're thinking."

While Northridge's program has gone way up under the coaching of Jack Elway, Jones realizes his team has a better chance to knock off the Matadors than the previous three opponents — UC Davis, Northern Arizona and Ball State.

"For once, we're playing somebody I don't feel we have to have a super effort and hope the opponent plays down for us to have a chance of winning," Jones said.

Elway, a former Washington State assistant, led the Matadors to an 8-3 season last year, the best in Northridge's grid history. But Poly handed CSUN a 20-7 setback for the Broncs' third consecutive victory over the Matadors to even the series at 7-7.

The win over Northridge is Poly's last previous victory as the losing streak has reached seven including the final two games in 1976.

Northridge comes here with a fine record but the Matadors have not played nearly as tough a schedule as Poly. In their last game, the Matadors drubbed a weak University of San Diego squad, 56-20.

Quarterback Paul Feuerborn is Northridge's offensive leader. He has a balanced running attack with Willard Thurston, Mike Maglione and Lennie Harris all rushing for more than 200 yards.

Bohannon, who directed South Pasadena to back-to-back 14-1 and 13-1 seasons including the CIF 3-A championship in 1975, got his chance to start tonight after directing the Broncos on a late scoring drive in last week's 66-10 smashing at the hands of Ball State.

He is one of six freshmen starting tonight's game.

Bohannon, the best passer on the team, will be looking for senior Teddy Myles as his chief target.

Myles, who was plagued by minor injuries early in the year, is healthy now.

He was named the CCAA Offensive Player of the Week for his seven receptions for 91 yards last week. He tops the CCAA season stats with 23 catches for 241 yards.

Because the CCAA is down to three football-playing members, there is no longer an official grid champion but Jones would love to have his team beat both Northridge and Cal Poly San Luis Obispo to be the unofficial champs.

"Devil ray" is another name for the great manta, a giant ray of the open sea. This huge fish can grow to be more than 20 feet across and weigh well over a ton.

Its big winglike fins and flattened body give the devil ray the appearance of a huge bat flapping through the water.

Subject of many fish fables, the devil ray has long been feared by pearl divers and fishermen, who believed that it would enfold them in its great wings and then devour them.

But there is no danger of that. Despite its name and great size, the devil ray is harmless to humans.

It eats only small kinds of animal life in the ocean. Two feeding fins in the front of its head help sweep food into its cavernous mouth. Its teeth are very small and perhaps useless.

Devil rays often leap high out of the water, landing with a thunderous slap. No one knows why they do this, but it may be to shake off annoying skin parasites.

Professor writes book on issues of controversy

A controversial, comtemporary Biblical book has been written by Claremont Men's College professor Donald M. Williams, entitled "The Apostle Paul and Women in the Church."

In the introduction of his book, the Rev. Williams states, "The Biblical storm center for the woman's issue is the Apostle Paul. Maligned on the one hand, exonerated on the other, Paul himself is lost behind a barrage of claim and counter-claim."

The book looks at the place of women in the church, and considers questions on theology, family and church order.

The question of women, said Reverend Williams, is one of the crucial issues facing the church and the world today. It allenates and divides serious Christians and even whole denominations.

"Early in January 1977," he said, "Pope Paul VI denied women's ordination into the priesthood. About the same time, Bishop Moore ordained Ellen Marie Barrett, a lesbian, to the Episcopal priesthood. No wonder the world watches the church with skepticism and confusion."

His book begins with a review of current popular literature on women, especially as they relate to Paul. The survey includes the traditional views of Helen Andelin's Fascinating Woodhood;" Marabel Morgan's "The Total Woman;" Larry Christenson's "The Christian Family;" and Betty Friedan's revolutionary "The Feminine Mystique."

According to its publishers, the BIM Publishing Co., in Van Nuys, the book will "Lift the fog on what exactly Paul says about women. Here for the first time," they stated, "all the letters and all the verses where women are mentioned by Paul are brought together with a careful, readable, illuminating commentary."

Council task force brings spiritual aid to hospital patients

The Pomona Valley Council of Churches, through its task force on hospital chaplaincy services, is seeking a way to bring spirual assistance to the patients of Pomona Valley Community Hospital.

This task force, chaired by the Rev. Keith Korstjens, associate pastor at the First Baptist Church of Pomona, is made up of a coalition of three community agencies: The Pomona Valley Council of Churches, the School of Theology at Claremont and the Pomona Valley Community Hospital.

Because of the work of this task force, composed of doctors, pastors, hospital administrators, laity and professors, the hospital has become the clinical setting for a little known aspect of ministerial training. The School of Theology at Claremont, cooperating with hospital staff and the Pomona Valley Council of Churches, is stepping up its practical-work course by placing students in the wards to give spiritual assistance under professional direction.

The School of Theology personnel who oversee the new course are Dr. Paul G. Schurman, assistant professor of pastoral counseling and R. Scott Sullendar, a Ph.D. candidate. David Pearce is the social worker member of the team. The operation is partially supported by gift. An anonymous donation of $1,000 was recently received.

Six churches join in parley

Six Chino churches will unite Nov. 6 in an ecumenical endeavor called "Conference on Things to Come."

It will be held from 2 to 5 p.m. at the Ontario High School auditorium.

It is sponsored by the following churches: Calvary Christian Reformed, Chino Valley Reformed, Christ Lutheran, First Christian Reformed and Immanuel Lutheran. The invocation will be given by the clergy of Our Lady of Guadalupe Roman Catholic Church of Chino.

Six lectures will be given by participating pastors, with two intermissions. A choir anthem is to be presented entitled, "The Apostles' Creed." A book table for Catholics, Protestants and Orthodox will be provided. Donations will be accepted to cover costs of the event. This comprehensive Bible prophecy seminar is for clergy and laity. Youths are urged to attend.

Lecture topics are: "No Second Period of Salvation," "New Testament Israel and the Jewish People," "The Book of Revelation and How the Church has Understood the Millennium," "Last Things According to Jesus," "Old Testament Prophecy and Dispensational Illusions" and "At Christ's Coming."

Radio host to speak

Dr. J. Russell Killman, speaker of the global, "Heaven and Home Hour" radio broadcast, will speak at Faith Missionary Church, Pomona, Sunday at 8:30 and 10:30 a.m. and 6 p.m.

While serving in Hong Kong in 1955, he joined the "Heaven and Home Hour" as Asian representative. He became part of the headquarters staff upon his return from Hong Kong. He was named director, in 1962, accepting the responsibilities of Dr. Clarance Erickson who had been its founder and leader for 30 years.

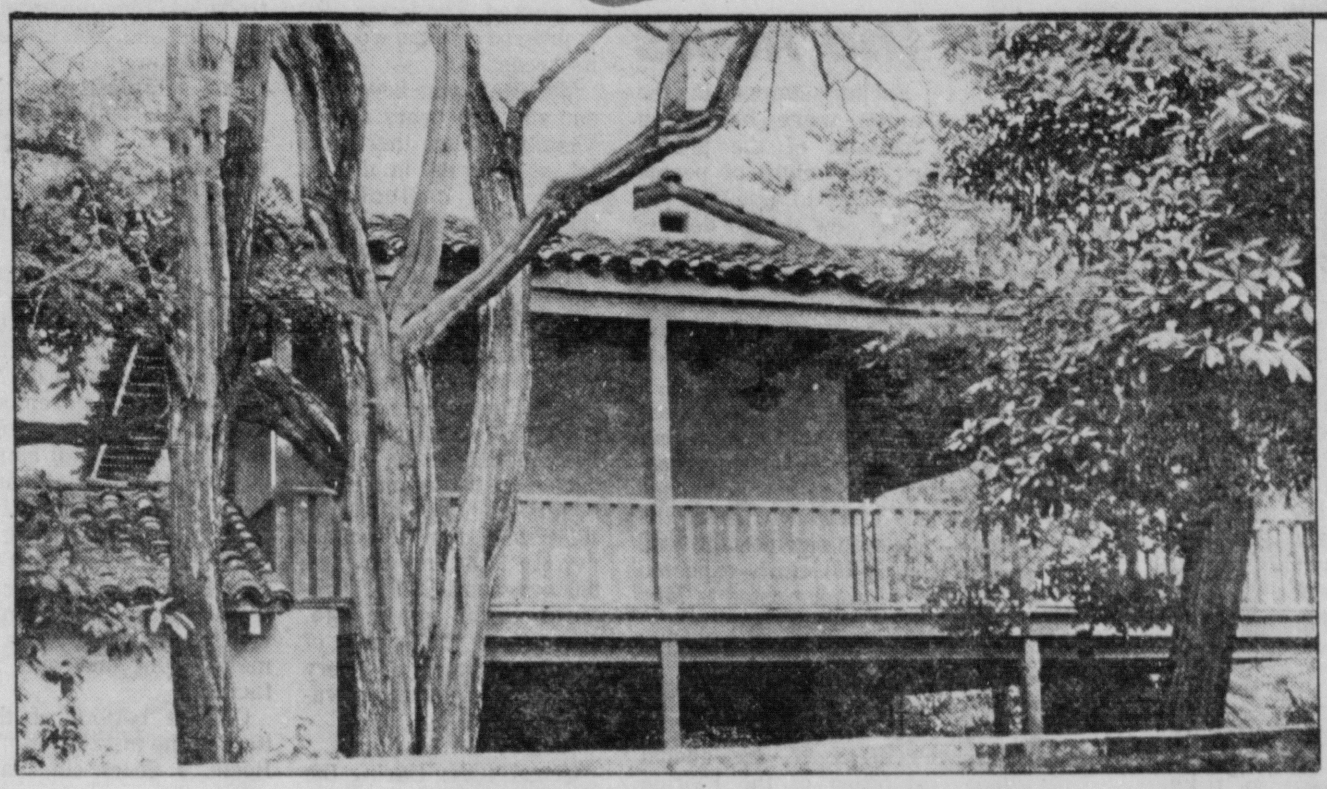
Pomona, California ■ Saturday, October 29, 1977



Rancho one of state's finest restored houses

Story on pages 6-7

Doc Peirsol

It happened in Pomona

Music hath charms they say, and here in Pomona that statement was undoubtedly just as true in the year 1904 as it is today. But in that bygone era its charms were sometimes responsible for other things than simply soothing the savage beast. Once, unfortunately, it was even responsible for petty thievery, a happening which, because it was apparently a dull day for news, was given front page prominence in the July 9, 1904, issue of The Pomona Daily Review.

"The brass of some people is amazing," that crime report began. "Someone in Pomona feels that he or she can't afford to buy sheet music but needs mutilate the magazines at our Public Library. It was recently noticed that someone had torn two pages from one of this month's magazines in the reading room in order to obtain some music written thereon."

chess

CHESS LORE

An excellent piece of detective work and journalism is the recent short article by Bobby Fischer's biographer Frank Brady in the September issue of the British magazine Chess.

We learn from Brady that Fischer's 20-million-dollar lawsuit against publishing house Stein and Day, Time-Life International and writer Brad Darrach, who wrote a now infamous book about Bobby, was thrown out of California's District Court on the grounds that the presented brief "was not properly prepared."

It seems that Fischer, himself, wrote the brief, about which Brady comments: "although somewhat unstructured in form and content, Fischer does represent all the facts."

In a taut rejection of Darrach's "shabbily distorted portrait" of Fischer, Brady informs us: "As Fischer's biographer, I must admit that he is difficult, intense, and often detached but he is certainly not the uneducated and hysterical pet-baboon that Darrach so vividly but so inaccurately develops."

Brady expects Fischer who told the judge: "I'll not pay a penny of federal income tax until I get justice in this case," to win a appeal of the California decision.

MILES SHOWS HIS CLASS

In manner and image more a pop idol than a traditional grandmaster, England's Tony Miles has lately been on a chess rampage. After winning three competitions in a row, including the prestigious Biel and Amsterdam international tournaments, Miles has finished second to World Champion Anatoly Karpov at Tilburg in the Netherlands.

Beating Soviet grandmasters Ex-World Champion Vassily Smyslov and Yuri Balashov in the early rounds, he blew a tie with Karpov by losing his last round game to Andersson.

Final results: Karpov 8; Miles 7; Hort, Kavalek, Timman and Hubner 6; Gligoric 5.5; Andersson, Balashov and Smyslov 4.5.

SHOREBIRD DECOY

Stamps in the news

By SYD KRONISH

A new U.S. 10-cent regular stamp in the Americana Series will be issued in coil and sheet form at two separate locations in November. The stamp will be the third in the Americana Series to highlight one of the four freedoms guaranteed in the Bill of Rights. It emphasizes "The right of the people to petition the government for redress of grievances."

Earlier stamps in the series were based on "freedom of the press" and the "right of people peaceably to assemble."

The new design depicts the "Contemplation of Justice" statue located to the left of the staircase leading to the Supreme Court Building in Washington.

The 10-cent denomination does not mean that postal rates are decreasing, but rather going up! The stamp will meet the proposed new postage rate for postal cards expected to be implemented in May 1978.

The coil version of the stamp will be placed on sale at Tampa, Fla., on Nov. 4, the opening of FLOREX 77, the annual exhibition of the Florida Federation of Stamp Clubs. The sheet version will be issued in New York City on Nov. 17 during the annual National Postage Stamp Show of the American Stamp Dealers Association.

Orders for first day cancellations should be addressed as follows: "Petition for Redress Stamp, Postmaster, Tampa, Fla. 33602" or "Petition for Redress Stamp, Postmaster, New York, N.Y. 10001." The cost is 13 cents per cover and the U.S. Postal Service will affix a Francis Parkman three-cent stamp to meet the rate for first class postage.

One Stamp Expo — called Stamp Expo '77 Pacific — recently took place in California, and another is upcoming. The first, held in Los Angeles from Sept. 2-4, was called Stamp Expo '77 Pacific. The second, in Anaheim, scheduled for April 7-9, 1978, will be called Stamp Expo '78 South.

Antique-wise

Shorebird decoy of high quality

By D. HAMMOND

QUESTION: Upon reading your article about Crowell decoys, I have been wondering if you could tell me something about the nicely carved bird in the enclosure, as it is marked. The letter "P" is pressed into the wood on its breast.

This item was bought by our son two years ago in Vermont. Since there is a lot of interest in decoys here — I collect the floating type — I would like to know more about the origin and age of this shorebird decoy. S.E.B.

ANSWER: You have a very decorative shorebird typical of those made by Percy Perkins of Seabook, New Hampshire. Mr. Perkins marks all of his decoys in this manner. He began carving birds in 1911, but didn't become really active in the business until his retirement eight years ago. Because of the quality of his decoys they are very much in demand nowadays.

QUESTION: During the last antique sale here in Barbados, W.I., I bought a tea pot for a friend. Later I spoke to the woman who had put it in the auction and, I learned that it had been given to her many years ago, while on a visit to the States. At the time, she was told that the teapot was very old. I have had a sketch made of the marking and the teapot. I would like to know if this is an antique? F.W.

ANSWER: Your teapot marked HALL within a circle was the mark used by the Hall China Company around 1930 — and therefore is not old enough to qualify as an antique — but this ware is very collectible today.

The Hall China Company began production in 1903 — turning out bedpans and combinets (combination chamber pots and slop jars). Within a short time other white-glazed china was being made, such as bowls, jugs and mugs, but it wasn't until in 1911 that the firm began to grow. In 1920, three tea pots from its its insititutional line (now referred to as the General Line) were decorated in gold, thus beginning the famous tea pot line. In 1932 kitchenwares were introduced, then dinnerware in 1936 and refrigerator ware followed in 1938.

For additional information in this field an excellent book is available by writing to Depression Glass Daze, Box HB, 12135 N. State Rd., Otisville, Mich. 48463, written by Harvey Duke ($11.95 p.p.).

QUESTION: Can you tell me if I have a miniature coffee grinder or a toy?

Recently, I purchased several pyrex casseroles and this very small coffee grinder at an estate auction. The box portion measures 2½ inches square and is exactly 2 inches high. The Grinder is metal and there is a small wooden drawer with a metal front and pull attached.

On the bottom of this item is the inscription "To Rosie, 9 years old," and across the panel above the drawer are the words "Little Tot." What do I have and is it worth more than the $12.50 I paid for it and all the casseroles? Mrs. S.H.C.

ANSWER: You have a toy coffee grinder and today these retail in shops from about $30-$45.

QUESTION: What value would you place on a small stove-top waffle iron, made in three pieces, approximately eight inches in length with wooden handles? The raised word "WAGNER" and "Pat. 1916" appears on one side. I believe this little waffle iron is called a "salemen's sample."

All three pieces — the two irons and the holder — are in fine unused condition. This was a gift to my mother in 1920, when she was six years old. Mrs. B.W.

ANSWER: Small waffle irons like you have described sell in the $65 to $85 price range.

Camera angles: international photo competition

Photographers aim to capture 'human rights' mood

By IRVING DESFOR
AP Newsfeatures

Items from a photo columnist's mailbag: An international photo contest, an innovation in gadget bags, and a new idea in old-fashioned postcards.

With the announcement by the United Nations of "Human Rights Year — 1978," an international photo competition was conceived with the theme, "WORK and LEISURE." From photos submitted from around the world, a selection will be made for an exhibition to be displayed at the 1978 Photokina — World's Fair of Photography — held in Cologne, Germany, every two years. The selected pictures will be hung in the Cologne Art Gallery from Sept. 15 through Oct. 1, 1978.

The photo contest theme focuses on two vital human rights: 1. WORK — a fundamental value of human existence, giving dignity and purpose to peoples' lives and performing a service for individuals and society. 2. LEISURE — a positive quality of life, giving self-fulfilment for all through the creative use of free time to pursue hobbies or relaxation.

The contest celebrates the 30th anniversary of the proclamation by the U.N. of the Universal Declaration of Human Rights. It invites all photographers everywhere to make an individual contribution by submitting their conception of the theme in meaningful images.

All photographers are eligible but only prints can be entered, in color or black-and-white, in sizes ranging from seven inches square up to 12 inches square. Transparencies are not acceptable. Original negatives and transparencies from which prints are submitted are to be available for display enlargements, if needed, and for possible publication in the Photokina catalogue, but photographers retain the copyright.

Prizes and awards will be given to the most outstanding entries among those selected for the Photokina exhibition by organizations cooperating in the project. There are United Nations placquettes, Photokina obelisks, and medals from the Federation Internationale de l'Art Photographique. In addition, Lufthansa Airlines will grant international flights as prizes and every participant in the exhibition will receive a U.N.-Photokina certificate. Deadline for entries is Jan. 31, 1978.

Send entries to, or write for a multi-lingual contest brochure to: Photokina-"WORK and LEISURE" Contest, P.O. Box 21 07 60, D-5000 Cologne 21, West Germany.

News of an innovative new camera gadget bag comes from Spiratone of Flushing, N.Y., one of the most versatile photo supply dealers in the country. They've just introduced CarryAll Supreme, the bag with an "inner secret."

The secret is a large outer pocket which contains two built-in, elasticized, light-proof sleeves which convert the compartment into a portable, on-the-spot, light-tight changing bag. The sleeves tuck into the compartment when not in use.

Any photographer who has had his camera jam while loaded with film, or has torn the film and has to remove the exposed portion in an emergency, knows the value of a changing bag. It can also be used to load a developing tank, load sensitive infrared film into a camera, or perform other chores requiring absolute darkness anywhere you happen to be in daylight.

The bag itself is constructed of supple vinyl material laminated with a foam backing for insulation against the hazards of travel and use. It measures 14 inches long by 11½ high and 8 wide and weighs only 25 ounces.

The bag's main inside compartment accommodates a 35mm SLR and has three large pouches for extra lenses and-or a 35mm camera body. A large front-zippered outside compartment provides ready access for small accessories like a flash unit, light meter, etc., while a handy side pocket holds film. Another shallow, outside zippered compartment is handy for photo prints, instruction manuals, maps and other flat material. Two side zippers protect the access to the sleeves of the "changing bag."

The Spiratone bag has another desirable feature ... it's economical (under $17). And that brings us to the last item in my bag — photo postcards.

The latest return in that area is a return to nostalgic, oldtime views of our big cities printed on ready-to-mail postcard stock in books. They come in eight-page paperbound books, four postcards to a page, each perforated for easy removal.

The series started with "Thirty-Two Picture Postcards of Old New York" and continued with Old Washington, D.C., Old Philadelphia, Old Boston, Old Chicago and Old San Francisco. They are published by Dover Publications, New York (each $2) and are printed in sepia duotone.

The photographs in these historical postcard collections range from the Civil War era to the 1920s and they include bustling street scenes, landmark buildings and important events in each city.

An old ranch wagon lends a picturesque touch to the garden of the adobe.

Turn-of-the-century utensils and equipment are displayed in the old-fashioned kitchen.

A young mother in period dress sets the table for a family dinner.

She's 133, but still a charmer

Nestled amid towering eucalyptus, palm and Italian cypress trees at the north end of Virginia Road, Long Beach, stands a 133-year-old Spanish adobe that is one of the finest restored buildings in California.

La Casa de Rancho Los Cerritos, a handsome, two-story structure of adobe and redwood, was designated a National Historic Landmark in 1970. It is operated by the Long Beach Public Library as a museum and historic library and maintained by the city park department.

Rancho Los Cerritos (Ranch of the Little Hills) was part of a huge (156,000 acres) Spanish land grant given in 1784 to Manuel Nieto, a sergeant in the army of explorer Don Gaspar Portola. In 1834 the grant was divided into six ranchos, including Rancho Los Alamitos, also owned by the City of Long Beach, and in 1844, six years before California became a state, Don Juan Temple built the casa of adobe brick made on the grounds and redwood beams from the forests near Monterey. The foundation was fired brick brought around the Horn by sailing ship.

During Temple's time, the house was headquarters of a ranch where cattle were raised, primarily for their hides. After 1866, when Flint, Bixby and Company purchased the ranch, sheep-raising became the primary occupation. The house is furnished as it might have been during the second period of its history when the Jotham Bixby family lived there from 1866 to 1881. Members of the Bixby family have donated chairs, tables and desks for the parlor and dining room.

The adobe has undergone some modifications over the years, including some remodeling in 1930, but the majority of the rooms are original. The stairway to the second floor was the one built in 1844. Part of the original wall surface can be seen beside the front door, and the small balcony in the livingroom is a remnant of the original ceiling. The dining room has been enlarged but the beams are the old Monterey redwoods.

Adding to the feeling of a lived-in home are female manikins dressed in period costume — here a pretty hostess preparing to greet guests, there a young mother setting table for a family dinner. The upstairs bedrooms are not open to the public because of fire regulations.

The library was created by removing an interior wall and combining the ranch office and a storeroom. The Rancho Library contains a collection of books, maps, photographs and other source materials pertaining to the history of California, Southern California and the Southwest. Library materials may be used in the building. Over the fireplace hangs a portrait of the Rev. George W. Hathaway (1807-1891), father of the wives of Llewellyn, Jotham and John Bixby. The two rooms beyond the library were created from the old blacksmith shop, and circular air vents and the wide doorway are reminiscent of the early use of the room. It contained a forge, a long work bench, and tools for working iron and wood. Some of the casa furniture was made here.

The north wing of the adobe contained the kitchen, a large mess hall for ranch employees, a wood storage room and a dairy room. Today it houses workshops, storerooms, a garage and a caretakers apartment.

La Casa de Rancho Los Cerritos and its colorful gardens are open to the public from 1 to 5 p.m. Wednesday through Sunday. Admission is free. It is located at 4600 Virginia Road. The curator is Roberta Nichols, (213) 424-9423.

'Jog-a-thon' entry planned

The students, faculty and staff of Western Christian School in Glendora will participate in the second annual "Jog-a-thon" on Nov. 2.

Proceeds from the one-hour "jog-a-thon" will be used for such activities and projects as choir tours, Mexicali Outreach, athletic equipment, travel-study abroad tours, science laboratories and school support.

The participants are raising their own sponsorship money for each lap around the school track they can run or walk. Sponsors will donate 10 cents to $10 per lap, and each jogger will have as many sponsors as possible. Prizes including a 10-speed bicycle, transistor radios and running shoes will be awarded for those raising the largest amounts.

The "jog-a-thon" is being organized by Dick Adams, assistant superintendent of Western Christian, and Bob Jennings, athletic director. "This event involves everyone on our campus," said Adams. "It's great to see both faculty and students working together in support of their school."

Support pledges are made by family, friends, alumni, and others interested in secondary Christian education. All money is collected through a computer billing system, and is tax deductible.

Off to a running start for the 1977-78 school year is the Service and Keywanettes Club of St. Lucy's Priory High School in Glendora.

Its first assignment was to serve at the Dad's installation potluck dinner Sept. 15. Since then members have served as the annual steak dinner-dance, during intermission of the school play, and at the school fashion show.

They will serve at the Boutique de Noel on Nov. 6.

The Keywanettes are sponsored by the Kiwanis Club of Glendora and the students will assist the club in collecting canned goods for Thanksgiving and Christmas giving.

Last year the club delivered "Safeguard Against Crime" packets for the Glendora Police Department.

The Service and Keywanettes Club has one purpose, to serve the people of the school and the community.

President of the club is Kathy Herman of Glendora. Andrea Brutocao of La Verne is vice president. Treasurer is Phyllis Cunice of Glendora and Sherie Badowski of La Verne is secretary.

Reptiles ruled

During the Permian Age, which began about 270 million years ago, reptiles were the dominant form of life. Today, only three groups of amphibians exist — frogs, salamanders and caecilians; five groups of reptiles are extant, including turtles, lizards, snakes, crocodilians and the tuatara.

Sheridan wins scholarship competition at Upland High

Patrick Sheridan has won the Century III Leaders Scholarship competition at Upland High School, according to Dave Campbell, principal.

The 17-year-old now is eligible to compete with other high school seniors throughout California for one of two $1,000 scholarships and also for a $10,000 national scholarship to be awarded in a conference of state winners in Colonial Williamsburg, Va.

Sheridan triumphed in the local phase of the Century III Leaders Scholarship Program, a national future studies, writing, citizenship, and current events awareness competition. To do this, he scored highest at the school in a current events examination and the writing of a brief essay on America's needs and challenges for the future.

The program is administered by the National Association of Secondary School Principals and funded by Shell Oil Co.

Sheridan, son of Mr. and Mrs. Richard Sheridan, now competes with other high school winners from around the state for two scholarships and an opportunity for the $10,000 top national scholarship.

The two California winners will receive an all-expense-paid trip to the third annual Century III National Leadership Seminar in Williamsburg, Feb. 24-27, to participate in seminars on current issues.

Entries were judged on the basis of the student's demonstrated leadership potential and their viewpoints, as written, on particular issues that America is likely to confront and how such challenges should be met.
